### Vice Chancellor Tezpur University

Greetings!

It is with great pleasure and pride that I welcome you to Tezpur University, where innovation, excellence and diversity converge to shape the leaders of tomorrow.

As the Vice Chancellor of this esteemed institution, I am privileged to witness the remarkable journey of our students as they evolve into professionals prepared to make meaningful contributions to society. At our university, we prioritize holistic development, experimental learning, critical thinking and ethical values. Additionally, we provide students with opportunities to apply their knowledge in real-world settings through internships, research projects, and community service. We also take pride in our faculty who are not only experts in their respective fields but also dedicated mentors to our students. Their guidance ensures that our students are well-prepared to meet the challenges of the professional world.

As our students embark on the next phase of their journey, I encourage you to explore the infinite opportunities available through our placement programs. The Placement Cell at Tezpur University will collaborate with you to ensure that our students secure their dream placements and internships while also providing your organization with suitable students/professionals to move forward.

May this collaboration yield fruitful results in both placements and internships. Best wishes to all for yet another successful placement and internship season at Tezpur University.

(Prof. Shambhu Nath Singh)  
Vice Chancellor

# About Tezpur University★

A Central University

ESTABLISHED BY THE TEZPUR UNIVERSITY ACT OF 1993 AS A TEACHING AND RESIDENTIAL INSTITUTION, THE UNIVERSITY HAS BEEN SERVING THE COUNTRY, WITH A SPECIAL FOCUS ON THE NORTH-EASTERN REGION, FOR 30 YEARS. ACCREDITED WITH AN “A+” RATING BY THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL, IT IS RECOGNIZED AS ONE OF INDIA'S PREMIER HIGHER EDUCATION INSTITUTIONS (HEIs).

THE UNIVERSITY, SITUATED AT THE HEART OF ASSAM, 200 KM AWAY FROM GUWAHATI, BOASTS A 262-ACRE CAMPUS, A LUSH SPACE THAT SYMBOLIZES ITS TRANSFORMATIVE EDUCATIONAL MISSION. FROM ITS MODEST BEGINNINGS OFFERING THREE ACADEMIC PROGRAMS, IT NOW OFFERS A DIVERSE ARRAY OF 69 PROGRAMS SPANNING THE SCHOOL OF ENGINEERING, SCHOOL OF HUMANITIES AND SOCIAL SCIENCES, SCHOOL OF MANAGEMENT, SCHOOL OF SCIENCES, AND THREE CENTRES.

EMBODYING ITS MOTTO, ‘SPECIALIZED KNOWLEDGE PROMOTES CREATIVITY,’ TEZPUR UNIVERSITY IS COMMITTED TO FOSTERING CREATIVITY AND EXCELLENCE THROUGH FLEXIBLE ACADEMIC PROGRAMS, INNOVATIVE CURRICULUM, AND VALUE-DRIVEN PEDAGOGY. ITS DYNAMIC ACADEMIC PROGRAMS ARE CONSTANTLY EVOLVING TO KEEP PACE WITH GLOBAL KNOWLEDGE TRENDS. EXTRACURRICULAR ACTIVITIES HOLD EQUAL IMPORTANCE, NURTURING STUDENTS FOR SUCCESS IN THE COMPETITIVE CORPORATE WORLD.

BENEFITING FROM THE SUPPORT OF DEDICATED ALUMNI AND ESTEEMED FACULTY, TEZPUR UNIVERSITY PROVIDES A NURTURING ENVIRONMENT CONDUCIVE TO HOLISTIC STUDENT DEVELOPMENT, EMPOWERING ITS GRADUATES TO TACKLE THE CHALLENGES OF THE FUTURE WITH CONFIDENCE AND COMPETENCE.

Dean,  
School of Engineering  
Tezpur University

It is my pleasure to know that the students of School of Engineering (SOE), Tezpur University have taken an important step to bring out a Placement Brochure highlighting academic infrastructure, industry-specific course curriculum, faculty information and their research. The course curriculum is designed and updated regularly to meet the needs of industries and employers with special input from industry experts.

It also emphasizes analysis and solving challenging technical problems and also imbibes the qualities. The State-of-the-art laboratories and dedicated faculty have contributed to the learning of our students, meeting the requirements of industries in today Global Market. The Placement scenario of Engineering are also improved over the year. We are glad to inform you that major recruiters from both PAN India and Global Giants have come for Campus Placement. We are happy to inform that our university has been placed among top 7 Higher Education institute (HEI) in India.

I appreciate hard work and efforts by the Professor-in-Charge, Deputy Director, students, and the staff of the Placement Cell of Tezpur University.

I wish all the students enrolled in School of Engineering, a bright future and appropriate employment and grand success in future Endeavors.

### Chairperson, Training & Placement Cell School of Engineering

Dear Recruiters,

It is our proud privilege to extend our cordial invitation to your esteemed organization to participate in the Campus Recruitment program at our institute. Tezpur University was established by an Act of Parliament in 1994. However, in a very short spell of about 30 years Tezpur University has turned into a Center of Excellence in technical education to combat the growing need of technological professionals in India as well as in the world.

Our students have continuously been able to excel not only in their fields of study but also in co-curricular activities. Training and Placement Cell of Tezpur University gives support for the undergraduate students to undergo an eight-weeks training/internship in reputed organization & during the summer vacation in partial fulfilment of the requirement of their B.Tech curriculum. The alumni of our institute are showing distinction in their respective positions.

We are also trying our level best to broaden their mindsets to create a positive attitude so that they can have all the qualities required to make them a part of any prestigious organization. At Tezpur University, we take care of grooming our students according to the needs of industry. So that they can easily adjust to the industry environment which is a mutual benefit to students and industry.

The Training and Placement Cell of Tezpur University has the required infrastructure like seminar hall, video conferencing facility, and excellent accommodation arrangement etc. to organize campus placement activities.

We invite esteemed organization to visit our campus for the recruitment. Your visit shall provide a platform to utilize technical knowledge and motivate young talent of our students to establish a synergetic interface. Besides we also invite the companies to take our third-year undergraduate students for summer training/internship.

It would be our proud privilege to welcome you to the on-Campus recruitment process that can be organized at Tezpur University.

(Prof. Sankar Chandra Deka, FRSC)  
Chairperson, Training & Placement Cell, SoE

### Faculty In-charge, Training & Placement Cell School of Engineering

It is my pleasure to welcome you all to the School of Engineering, Tezpur University, Assam, India. The institute was established in the year 2006 and within this short span of period it has been able to carve a niche for itself in the academic scenario of the country. The institute has been playing a very significant role in creating competent professionals capable of taking leading roles in industry, academia and entrepreneurship. The academic environment in our university in general and School of Engineering in particular is among the best in the country. Recently the University has been ranked as the 20th University among the small Universities in the world. In a very short spell of about 30 years, Tezpur University has become a center of excellence in higher education and has been able to contribute to the growing need of competent professionals in India and abroad. Our students have continuously been able to excel not only in their field of academics but also in cocurricular activities.

Our curriculum and syllabi are regularly updated with inputs from various sources including Industry, alumni, and academic experts from India and abroad. Apart from providing placement supports to the students, the Training and Placement Cell of School of Engineering also supports the undergraduate students to undergo an eight-week training/internship in reputed organizations during the summer recess in partial fulfilment of the requirement of their B-Tech curriculum. The alumni of our institute have been able to excel in various fields in their organizations.

Training and Placement Cell of Tezpur University has excellent infrastructure to organize campus placement activities. We sincerely hope that your esteemed organization will surely visit our campus for recruitment and assist to provide a platform to utilize the knowledge and innovative ideas of our highly motivated young students. I am quite confident that your organization will benefit by establishing a synergy with our university.

I sincerely invite you once again to visit our institute of higher learning and contribute towards our mission of developing human excellence and inculcate leadership through hard work and creativity.

(Dr. Ratul Kumar Baruah)

### Deputy Director, Training & Placement Cell School of Engineering

It brings us immense pleasure to extend a warm and cordial invitation to participate in the Campus Recruitment Process at Tezpur University. We extend our sincere gratitude to all esteemed organizations for their relentless support in transforming Tezpur University into one of the world-class institutions.

Through our Industry-Academia initiative, we've enhanced the skills of students who have joined our institute through the Joint Entrance Examination (JEE). Tezpur University boasts of an "A+" accreditation from NAAC, with most Engineering disciplines NBA accredited. Our programs feature internships ranging from two months to one year, providing invaluable practical experience. Soft skill and technical grooming sessions, along with interactive training led by industry experts, enrich our students' capabilities.

Our focus extends beyond academic disciplines, aiming to instill qualities essential for industry and national success. The Student Placement Coordinators facilitate a seamless placement process, ensuring our graduates possess the competencies sought by global giants in both public and private sectors. Our technical departments actively engage in innovative R&D projects, fostering strong relationships with industry stakeholders.

The recruitment process for the batch of 2025 commenced in August 2024. We welcome our esteemed recruiters to our campus and offer infrastructure support for in-person or virtual recruitment activities, including online tests, interviews, and video conferences.

We look forward to a successful Campus Recruitment program and eagerly anticipate a mutually beneficial relationship with our recruiters.

(Dr. Pijush Chandra Das)

Deputy Director, Training & Placement Cell, SoE

# School of Engineering

School of Engineering, Tezpur University was established in 2006. School of Engineering has nine Departments. Applied Sciences(ASc), Civil Engineering(CE), Computer Science & Engineering (CSE), Electronics & Communication Engineering (ECE), Electrical Engineering (EE), Energy Technology (ENE), Design, Food Engineering & Technology (FET), Mechanical Engineering (ME) include various educational programmes offered by School of Engineering include Under Graduate (UG), Post Graduate(PG) and Ph.D programmes.

The School of Engineering has a dedicated T&P Cell housed in the Dean's building of the Engineering (SoE) premises with all the required infrastructure. It facilitates the process of placement of students besides collaborating with leading organizations and institutes to provide internship and training programs for the students.

# An Invitation to Recruiters

Dear Esteemed Recruiters,

Greetings from Tezpur University!

Tezpur University is situated at Tezpur in Central Assam (India) and was recently ranked among the 20th best small universities of 2018, published by Times Higher Education World University ranking on 3rd August 2018. The University is NAAC "A+" accredited and most of the Engineering programmes are NBA accredited. Our Computer Science and Engineering has been recognized as the Centre of Excellence by UGC for the period 2014-19. The University also ranked 5th among the top 100 universities by the MHRD-Institutional Ranking 2016. The Visitor's "Best University" Award 2016 (among the Central Universities) was also conferred on Tezpur University in 2016.

The School of Engineering, Tezpur University has established itself as a premiere institute of technical education in the country. A good number of our alumni have secured numerous challenging cum managerial high-paid positions in many prestigious organizations in India and abroad. The professionalism and abilities of our students are proficiently reflected in the appreciative feedback we receive from our recruiters from time to time. The numbers of students graduating in June 2025 along with other relevant information are mentioned herewith:

# Why Recruit?

## **Academic Excellence:**

- Being in the **top 7%** of India's Higher Educational Institutions (HEI), the institute is recognized as a centre of academic excellence.

## **Research and Innovation:**

- Less than **30 years old** and the institute has already set many benchmarks in the field of R&D, which entirely has been made possible by its diverse pool of talents

## **Industry Interaction:**

- The institute maintains strong ties with industry through workshops, seminars, internships, and guest lectures, fostering a mutually beneficial relationship.

## **Diverse Skill Sets:**

- At Tezpur University, students from different backgrounds bring skills in tech, creativity & leadership. Recruiters can find candidates in diverse areas

## **Our Culture:**

- Despite busy schedules, students enthusiastically join diverse extracurriculars, including competitions and festivals at university, national, and international levels.

# Life at Tezpur University

Life at Tezpur University is meant to pique your curiosity and stimulate your intellect at every turn. In spite of the tight academic schedule followed by the students, they eagerly pursue various extra-curricular activities, ranging from inter hostel sports to national and international level competitions. This also includes the mess and hostel infrastructure facilities managed by the students, clubs and societies to promote technical, managerial and social well-being of the students.

There are a total of 14 (6 men's and 8 women's) hostels in the campus. All of them have necessary facilities like:

- 24 x 7 Campus Wi-Fi
- Clean Washrooms
- Bicycle Stand
- Laundry Rooms
- Indoor Games

# Academic Programmes

## Under the School of Engineering

### **Under Graduate:**

Bachelor of Technology(B.Tech)/Bachelor of Design(B.Des)

- Civil Engineering
- Computer Science and Engineering
- Design
- Electrical Engineering
- Electronics and Communication Engineering
- Food Engineering and Technology
- Mechanical Engineering

### **Post Graduate:**

Master of Technology (M.Tech)/Master of Design (M.Des)

- Bioelectronics
- Civil Engineering
- Computer Science and Engineering
- Design
- Data Science
- Electrical Engineering
- Electronics Design and Technology
- Energy Technology
- Food Engineering and Technology
- Information Technology
- Mechanical Engineering
- Semiconductor Technology

# Department of Applied Sciences

## About the Department:

The Department of Applied Sciences, one of the newest departments of Tezpur University, was established in 2019. It aims to provide high quality teaching of basic science subjects to engineering students. The department provides well equipped laboratory facilities to the students as a part of their curriculum. Their research interests encompass diverse areas of applied as well as fundamental sciences, spanning fields like astrophysics, condensed matter physics, materials chemistry, pure and applied mathematics. The faculty members are currently focused on establishing their own research groups to pursue research on their respective thrust areas.

## Academics:

- Ph. D in Applied Mathematics
- Ph. D in Applied Physics
- Ph.D in Applied Chemistry

### Facilities:

- Physics laboratory for UG and PG students
- Chemistry laboratory for UG and PG students

### Research Activities:

- No. of papers published in the year 2022- 2023: 02
- No. of ongoing research projects: 02
- No. of current Ph.D. scholars: 25

Established in 1997, the Department of ECE is one of the oldest departments in the University. Starting with an M.Tech. Programme in Electronics Design and Technology in 1997, and M.Tech. in Bioelectronics. The department expanded its academic activities to undergraduate programmes, with a B.Tech. programme in Electronics and Communication Engineering in 2006. The department is supported by DST-FIST, DeitY - MIT, UGC-SAP (DRS-I), AICTE, RPS, AICTE NEQIP, Visvesvaraya Ph.D. Scheme under Meity, Gol. Faculties of the department have several international research collaborations including Queen's University Belfast (QUB), UK; University Technology Malaysia, Malaysia; Airlangga University, Indonesia, and University of Rio de Janeiro, Brazil.

## Academics:

- B.Tech in Electronics and Communication Engineering (4 - Years)
- M.Tech in Electronics Design and Technology (2 - Years)
- M.Tech in Bioelectronics (2 - Years)
- M.Tech in Semiconductor Technology (2 - Years)
- Ph.D in Electronics and Communication Engineering

## Facilities:

- Basic Electronics Laboratory
- Design and Prototyping Laboratory
- Computer Laboratory (Software)
- Communication Laboratory
- DSP Laboratory
- Image Processing Laboratory
- Instrumentation Laboratory
- **Research Laboratory:**
  - Sensors and Systems Engineering Laboratory
  - Bioelectronics Research Laboratory
  - Microwave Engineering Laboratory
  - E-mobility Laboratory
  - ERL Laboratory
  - Intelligent Imaging and Vision Research Laboratory
  - Sensors & Nanotechnology Laboratory
  - Statistical Visual Computing Laboratory
  - Semiconductor Devices & Flexible Electronics Laboratory
  - Micro-fabrication facility
  - Integrated Teaching and research infrastructure for VLSI-EDA
  - Sophisticated Semiconductor Devices Characterization Laboratory
  - Technology in Semiconductor and Devices Laboratory
  - M. Tech Project Laboratory

## Sophisticated Instruments/ Facilities:

- Photolithography
- Vacuum Thin Film Deposition
- Probe Station (I-V)
- Biological Signal Acquisition
- Reactive Ion Etching
- Plasma-enhanced chemical vapor deposition (PECVD)
- I-V and Quantum Efficiency Measurement
- Milli-Q Water Purification Unit
- EDA Tools- Cadence Virtuoso, Sentaurus, Xilinx suite, and Calibre by Mentor Graphics.

## Sponsored Research Projects:

- Development of A Cost-Effective EMG Controlled Prosthetic Hand for Multiple Patterns (2021 - 24)
  - Funding Agency: I-Hub Foundation for COBOTICS, Technology Innovation Hub of IIT Delhi
  - Amount: INR 43.44 lakhs
  - Investigator: Prof. Nayan M. Kakoty
- Development of a Mobile App and Agroclimatic Atlas for Climate Smart Agriculture in Assam (2022-25)
  - Funding Agency: AAU (ISRO)
  - Investigator: Dr. Ratul Kr Baruah
- Facility for simulation and characterization of advanced electronic devices and circuits (2019 - 24)
  - Funding Agency: DST, Govt. Of India, Under FIST program
  - Amount: INR 172 lakhs
  - Investigator: Dr. Biplob Mondal
- Sensor array on flexible substrate for monitoring BTEX VOCs and hydrocarbons particularly present in oil and natural gas industrial environment (2022 - 25)
  - Funding Agency: SERB, DST
  - Amount: INR 23.82 lakhs
  - Investigator: Dr. Biplob Mondal

### Notable Achievements:

- Prof. P.P. Sahu listed in world's top 2% scientists by Stanford University, 2020 published in the journal, PLOS Biology.
- Dr. Rupam Goswami awarded with Young Scientist Award 2021, DST, Government of Assam.

### Patents Granted / Filed:

- S. Sarma, B. Sarma, R. Chutia and P. P. Dutta. System for measuring and correction of alignment parameters camber and toe of wheel of a vehicle. Patent Number 357468.
- N. M. Kakoty and L. Gohain. An EMG Based Multi Grasp Prosthetic Hand with an Android Interface. Application No. 202131022730. Status: Filed on 21.05.2021.
- IOT based Portable Ventilator' has been provisionally filed with application no. 202131045925.
- R. Goswami. Double Drawer Match Box. Application number 202231076570: Indian Patent (complete): filed.
- R. Hussain and D. Sonowal. BIONIC ARM. Registered Design Application No. 375272-001 on 08-12-2022.
- R. K. Baruah, A. Kumar, S. Dutta, S. Paul. Intelligent Helmet System. Indian patent no. 362974 (valid since May 14, 2016)
- P. P. Sahu, A portable Optical fiber instrument for instant petrol purity detection, Patent No. 201831009528, (Granted 2022)
- P P Sahu Patent, A Reduced Size Linearly Tapered 3dB (Half Power Splitter) Multimode Interference (MMI) Coupler, No: 390482 Application no 0522/ KOL/2008 (Granted 2022)

### Recent Workshops/ Seminars:

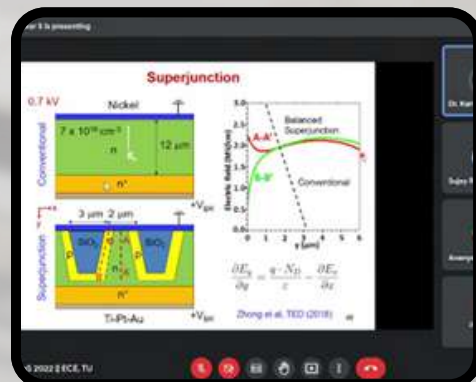

- Hands-on Training on Advanced Digital Design with Verilog from May 13-14, 2023.
- Digital VLSI System Design Using Cadence Tool and FPGA from March 17-21, 2023.
- Two-day Workshop on Embedded Machine Learning on System-on-Chip (SoC) in Association with IIT Guwahati, IIT Mandi, and CoreEL Technologies, Bangalore on December 20-21, 2022.
- 5-Day Demo cum training program on sophisticated facilities of the department from 12 - 16 Sep, 2022.
- Hands-on Training Programme on Computation, Fabrication, and Characterization of Devices and Systems, Under SYNERGISTIC TRAINING PROGRAM UTILIZING THE SCIENCE & TECHNOLOGY INFRASTRUCTURE (STUTI-DST, GoI) from June 13 - 19, 2022. Photo (a)

## About the Department:

Department of Energy started in 1996, with an aim to produce manpower pool in the field of energy, develop new and efficient energy conversion technologies, R & D and extension activities in diverse areas of energy. Department is offering two years AICTE approved M. Tech program in Energy Technology from the year 2000. The Graduates of the Program are working in organizations/Institutes like Nagoya Institute of Technology, Japan, GE Energy, METSO, TERI, BOSCH, Bangalore, SGS India, New Delhi, MNRE, Tezpur University, NEHU, NERIST, SMIT, MANIT, Bhopal etc. Apart from that, the alumni are also doing/did PhD/PDF at Imperial College, London, NUS, Singapore, NTU, Singapore, University of Exeter, UK, Cardiff University, UK, IISc Begaluru, IIT Delhi, IIT Bombay, IIT Guwahati etc.

## Academics:

- M.Tech in Energy Technology (2 - Years)
- Ph.D in Energy Technology
- PG Diploma in Renewable Energy and Energy Management (Distance)

## Major Facility / Instruments:

- Grid Tied Solar Photo Voltaic Training System
- Wind Energy Training System with VFD & 300W generator
- Solar Thermal Training System with 100LPD Flat Plate Collector
- 1 kW SPV plant for DoE Garden lighting
- Micro Hydel Power Generating Equipment
- Biodiesel production pilot plant
- Auto Bomb Calorimeter
- Gas Analyser
- UV VIS (Spectrophotometer)
- Fuel Cell kit
- Computerized Diesel Engine Test Rig
- Dual Fuel Engine
- Closed top Gasifier
- Muffle Furnace
- Vacuum furnace
- Biogas plant of capacity 50 m<sup>3</sup>
- AdaptNET E-Lab facility equipped with Sever (2TB) and 18 Computers.
- Renewable Energy Powered Mobile Eatery "Jivika"

# Department of Food Engineering and Technology

NBA Accredited, AICTE Approved

## About the Department:

The department of Food Engineering and Technology was established in the year 2006 with the aim of creating skilled human resources in the engineering aspect of food processing to cater the needs of the rapidly growing food processing sector. The department is currently offering B. Tech., M. Tech. and Ph. D. programmes. The department has well-developed laboratories for teaching and research created from grants received from various schemes of government agencies viz., MoFPI-HRD, DST-FIST, UGC-SAP and AICTE- NEQIP. The department is running NABL accredited Food Quality Control Laboratory with support from the MoFPI. The Department has been recognized as the State Level Technical Institute (SLTI) for Assam, Meghalaya and Arunachal Pradesh under the PM-FME scheme of the Ministry of Food Processing Industries (MoFPI), GoI, New Delhi.

## Academics:

- B.Tech in Food Engineering and Technology (4 - Years)
- M.Tech in Food Engineering and Technology (2 - Years)
- Ph.D in Food Engineering and Technology

### Major equipment available :

- Milk Pasteuriser Unit (GOMA Engineering, India)
- Hunter Color Spectrophotometer (Hunter Lab, USA)
- Texture Analyser (Stable Micro System, UK)
- Rapid Viscosity Analyser (Newport, Australia)
- Freeze Dryer (Labtech, Korea)
- Falling Number Apparat (Perten, Australia)
- Automatic Solvent Extraction System (Pelican Equipments, India)
- FTIR (Perkin Elmer, USA)
- HPLC (Waters, USA)
- Modified atmospheric packaging unit (Vacstar, Sweden)
- Kjeldahl apparatus (Pelican Equipments, India)
- Supercritical fluid extraction system (Waters, USA)

### Notable Achievements:

- Received NBA accreditation (as per Washington Accord) for B. Tech. program for the year 2016-2022.
- The Department has been recognized as the State Level Technical Institute (SLTI) for Assam, Meghalaya and Arunachal Pradesh under the Pradhan Mantri Formalization of Micro Food Processing Enterprises (PM-FME) scheme.
- Received grant of Rs. 2.75 Crores for establishment of Incubation Centre under PM-FME scheme.
- The Food Quality Control Laboratory of the Department is NABL accredited since 2017.
- Department recognized as minor Quality Improvement Program (QIP) center of AICTE.
- Department recognized for AICTE-Doctoral Fellowship (ADF).
- Recently, received Certificate of Excellence under Eat Right Research Institute Award, by Food Safety & Standards Authority of India (FSSAI) in 2022.

### Patents Granted / Filed:

- A process for the preapration of amla chips (2020), Dr. Poonam Mishra, Indian Patent No : 283552
- A process for manufacturing bottle gourd juice (2021), Prof. S. C. Deka, Australia Innovation Patent No. 2020103333
- A process for manufacture of turmeric powder from raw turmeric rhizomes (2021), Prof. Brijesh Srivastava, Indian Patent No: 366731

### Recent Workshops / Seminars:

- Workshop on "Bakery and Confectionery Products" is conducted by the Department of Food Engineering and Technology in association with Adani Wilmer in the year 2018. Photo (a).
- FSSAI participated in the 27th Indian Convention of Food Scientists and Technologists (ICFoST), 2019 hosted by the Department of FET in association with Association of Food Scientists & Technologists (India) AFST(I) Tezpur Chapter during 30th January to 1st February 2020. Photo (b), (c).

# Department of Mechanical Engineering

NBA Accredited, AICTE Approved

## About the Department:

The Department of Mechanical Engineering was established in the year 2006 under the School of Engineering for offering B.Tech. programme in Mechanical Engineering. Subsequently, M.Tech. and Ph.D. programmes were started in the year 2013. Both B.Tech. and M.Tech. programmes are approved by the All India Council for Technical Education (AICTE). The B.Tech. programme is also accredited by the National Board of Accreditation (NBA). The Department of Mechanical Engineering has the principal objective to cater to the latest need for technical manpower in infrastructural sectors of the country.

## Academics:

- B.Tech in Mechanical Engineering (4 - Years)
- M.Tech in Mechanical Engineering (2 - Years)
- Ph.D in Mechanical Engineering

## Facilities:

- Automobile and IC Engine Lab
- Fluid Mechanics Lab
- Heat Transfer Lab
- Material Science Lab
- Metrology Lab
- Strength Of Materials Lab
- Theory Of Machines Lab
- RAC Lab
- Renewable Energy Lab
- Turbo-Machinery Lab
- Vibration Lab
- Central Workshop
  - CNC Lathe and Milling Machines
  - Shaping Machine
  - High precision Surface Grinding Machine
  - Universal Tool and Cutter Grinder
  - Radial Drilling Machine
  - Double ended Pedestal Grinding Machine
  - Slotting Machine
  - Welding Machines: AC and DC Arc Welding, Oxy-Acetylene Gas welding, TIG, MIG

## Publications:

- Research Papers : 109
- Authored Books : 02
- Patents : 04
- Papers in Conf. Proceedings : 115
- Book Chapters: 63

## Student Achievements:

- Prestigious Gandhian Young Technological Innovation (GYTI) Award won by Saurav Jyoti Sarma, Abhjit Nath and Chandeeep S. Gogoi (2014-18) in 2019. The award was presented by the Vice President of India to the students for developing a panipuri vending machine that produces panipuri faster in a hygienic manner.
- Arindam Sinha (2016-20) qualified Mathematics Olympiad 2017 organised by National Board of Higher Mathematics and got selected among 75 awardees from North East India to attend a fully sponsored training conducted by Mathematical Training and Talent Search (MTTS) and Department of Atomic Energy India.
- Manoj Sharma ( batch: 2016-20) participated in the PHOTOTRON event of the ROBOTICS module organised during Techniche 2018 at IIT Guwahati between 30th Aug-2nd Sept and secured the 2nd position. He developed a bot which could navigate its way by recognising hurdles and shapes through the arena and return back home.

# Youth Empowerment

## National Cadet Corps:

NCC Tezpur University, established on September 1, 2011, proudly operates under the Army Wing, affiliated with the 5 Assam Battalion of Tezpur Group in the NER Directorate. Grooming a vibrant community, our NCC unit comprises 60 dedicated cadets.

## National Service Scheme:

NSS Tezpur University is the Tezpur University chapter of the National Service Scheme, institutionalized under the Ministry of Youth Affairs & Sports Govt. of India. Our sole aim is to motivate students at TU to indulge in nation-building activities

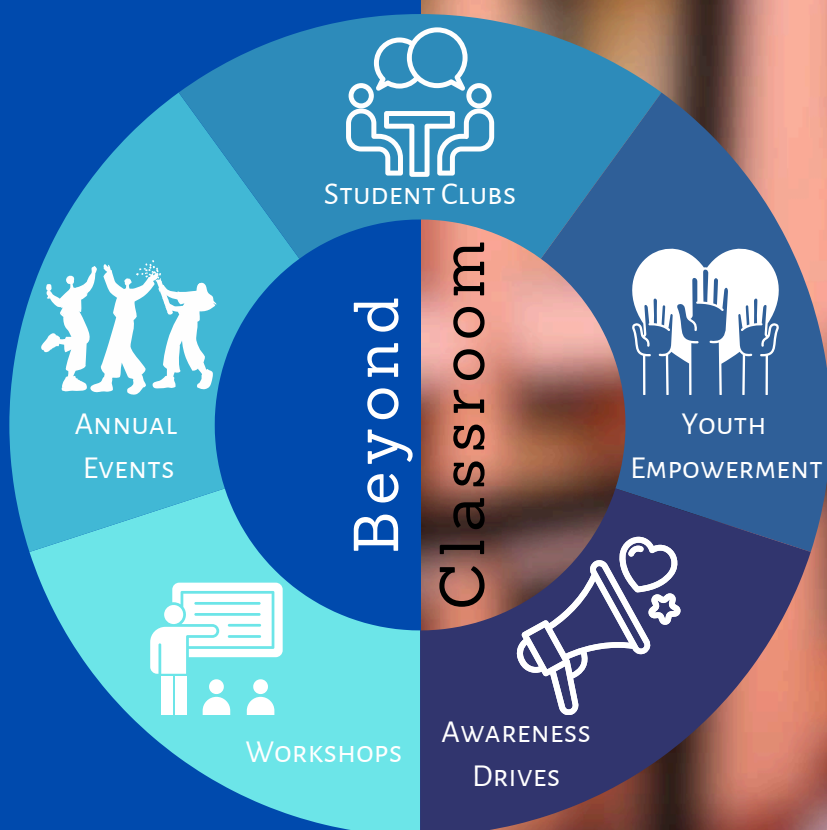

## Awareness Drives

- AWAAZ Campaign
- Nasha Mukta Bharat Abhiyan
- Puneet Sagar Abhiyan
- Blood Donation Drive
- Gyan Utsav
- Flag Distribution Drive

# Annual Events

## TechXetra:

The annual technical festival of Tezpur University organized by the students of the School of Engineering has given a new identity to the University itself. It hosts events like workshops, exhibitions, robotic events, invited lectures, webinars, hardcore quizzing, gaming and cultural extravaganza. Technical issues like Green Technology, Sustainable Energy and Water and their use are discussed over the years by a combination of students from around the country, senior faculties and new age inventors .

## Inscignis:

The science fest of Tezpur University organized by the students of the School of Sciences on the occasion of National Science Day.

## Unifest:

The University participates in the inter-university competitions and has won many prizes in cultural and literary events and sports.

## Annual Meet:

Held every year in January, the Annual Meet comprises Inter-hostel sports, quiz and various other cultural and literary events.

# Facilities for Recruiters

The University has created every possible facility required for conducting campus placement activities. It is well-equipped with handpicked Training and Placement officers and a carefully crafted Training and Placement Cell capable of handling and supporting the placement procedure at all stages. Any placement-associated activity can be smoothly conducted for around 150 students at a time.

# Placement Process

The Placement Office sends invitations to the Organizations along with relevant information.

Interested organizations register with the T&P cell and send job announcement letters.

Pre-placement talks and all other formalities are done according to the convenience of both parties

Organizations take written tests, group discussions and interviews according to their recruitment criteria

Offer / Joining letters are given to the selected candidates.
