

NSS as an add-on course for the Post Graduate students

This is to inform all the post graduate students that NSS has been introduced as an add-on course at the master level in the university. Students who wish can enrol for the NSS add-on course during the first semester and obtain grade during their fourth semester. After successful completion of the course, they will be awarded with grades along with a certificate of importance. Generally classes and activities are conducted on Saturdays, Sundays and holidays.
