Dated 6<sup>th</sup> July, 2017

This is for information of all concerned that the B. Voc programmes in Renewable Energy Management and Food Processing were introduced under a scheme of the UGC. Now, the UGC vide letter no. No 2-2/2014 (NSQF) dated 8<sup>th</sup> June, 2017 (received by the University on 20<sup>th</sup> June, 2017) has intimated that it will not support the B.Voc programmes w.e.f. July, 2017.

In view of the above decision, the University is compelled to withdraw the admission to B. Voc in Renewable Energy Management and Food Processing programmes scheduled to be held in July, 2017. Hence, admission of the selected candidates for both the B Voc programmes will not take place for the academic session 2017-18. The application fee deposited by the candidates will be refunded. However, the students admitted earlier will continue their studies.
