Times Higher Education
Emerging Economies
University Rankings 2018**

**Ranked 29th in the MHRD
-NIRF India Rankings
2018**

**Recipient of Visitor's
Award in 'Research'
Category 2017, 2018**

Programme Brief: The programme is designed to enhance the capacity of working professionals and fresh graduates in child rights issues and challenges. It is also intended to build a theoretical understanding of children - their lives and the vulnerabilities they are exposed to in their diverse contextual realities with emphasis on governance, its strength and lacunae in promoting and ensuring child rights and child welfare.

Career Prospects: Successful completion of the programme would enhance the candidates' employability in government departments, NGOs, CSR projects and allied fields. Professionals working in the field of child rights and related areas, both in government and non-government settings, would benefit from the programme for their career advancement.

Programme offered by: Centre for Inclusive Development

Duration of the programme: TWO Semesters (Max. FOUR Semesters)

Eligibility: Any graduate from a recognized university. Preference would be given to candidates with prior experience in the allied field.

Study Material: Self Learning Materials (SLM) are provided.

Counseling (Optional): Once in each semester.

Semester Examination: Conducted in the month of June and December.

Student intake: 30

Fees: Rs. 8500/- (INR)
