Date: August 31, 2020

NOTICE

Personal Interview for admission to M. Tech. in Food Engineering and Technology (Non-GATE category)

The candidates who have submitted application for admission into M.Tech. in Food Engineering and Technology through non-GATE category for the academic session 2020-21 should note the following important points:

1. Candidates will be shortlisted based on the marks in the qualifying examination (70% weightage) and performance in the personal interview (PI) (30% weightage). The marks of the qualifying examination refer to the overall marks (percentage) of the final examination or till prefinal examination (whichever is higher).
2. The candidates who have submitted their qualifying or prequalifying examination documents on TU admission portal on or before 31st August, 2020 will only be considered for PI.
3. The PI will be held online on 10-09-2020 and 11-09-2020 from 10:30 AM onwards via Google Meet platform.
4. The candidates must make their own arrangement for appearing in online PI through video conferencing.
5. The time slot and Google Meet link for the PI will be communicated to all the candidates through the contact information provided in their application form.
6. All the candidates are requested to confirm their participation in the PI through an email at **fettu.admission@gmail.com** latest by 05:00 PM on 08-09-2020 and should also provide the formula for conversion of CGPA to percentage.
7. The candidates who confirm their participation in the PI on or before the due date (08-09-2020, 05:00 PM) will only be considered for appearing in the PI.
