# Department of Energy: Tezpur University

Admission for M Tech (Energy Technology – Non-GATE Category) 2020

This is to inform all the concern that the Department of Energy, Tezpur University has adopted a 2-tier process for selection of the MTech applicants (excluding those selected through GATE score) for the academic year 2020-21.

1. An applicant will be shortlisted based on a total mark of 100 having two components: Percentage/CGPA of qualifying examination (70%) and Personal Interview (30%).
2. The marks of the qualifying examination refer to the marks of the final examination or pre-final examination (whichever is higher).
3. For Personal Interview (PI), the applicants need to use devices capable of video (and audio) meeting (chatting), so that the applicant is visible during the PI (Video with internet facilities is essential requirements).
4. It is the responsibility of the applicants to arrange the device and internet network for video call for PI. Department cannot be hold responsible for not appearing in the PI because of error/issue in the device and network at the applicant's end.
5. Because of any issues, if an applicant does not complete the PI, it is in the discretion of the Department to hold the PI again or not. If not considered, the applicant may be marked as absent.
6. All the applicants will be communicated through an email (as provided in the application form) the date and time slot for appearing in the PI and the applicants need to confirm the appearance by a return email.
7. The PI for the applicants of MTech program (Other than selected candidates through GATE) will be held during 17-20th August in multiple sessions.
8. Google Form may be used during PI for certain questions (covering the syllabus mentioned in the TU Admission Brochure 2020), therefore applicants should be familiar with the Google form.
