

Department of English, TU

Notice 08.09.2020

Attn: Applicants for admission into MA in English/Linguistics

*APPLICANTS ARE REQUIRED TO READ THE FULL DOCUMENT.

1. The department is in the process of sorting and finalizing applications for admission into different programmes including the MA in English/Linguistics programmes. As the number of applications is very high, it becomes difficult for the department to individually ascertain the SGPA/CGPA of the students (whether for full six semesters or five semesters, as the case may be). In spite of repeated extensions of deadline, some applicants have not uploaded their documents (marksheets/certificates of the examinations passed or appeared). Some other candidates have not submitted documents that entitle them to reservations under different categories.

2. The department gives all applicants one last opportunity to send the documents (if not already uploaded) through a google form** by **12 midnight, 13 September 2020**. Candidates are required to fill up the google form and upload the documents in PDF file in the specified location in the form (check at the bottom point 7) so that the department can verify and finalize the sorting process.

3. Please mark that each point may not be applicable to every candidate, and so only those points that are relevant should be considered for response. If you do not have anything to say please type N/A (Not Applicable).

4. **PLEASE also mark that the figures given by the candidate will be treated in trust as final and any discrepancy found at a later date will lead to unconditional cancellation of admission or expulsion from the university.**
