Greetings from the FOUNDATION FOR EXCELLENCE!

The Foundation For Excellence, a 27- year old registered NGO awards merit cum means scholarships to gifted students from financially deprived backgrounds pursuing Engineering, Medical, Law and BPharm degrees in India. The mission is to bring about a transformation of their lives and transition them to a higher economic bracket in a single generation.

The financial support for students through scholarships, is combined with skills training for Engineering students (supported by a grant from the Michael and Susan Dell Foundation and Capgemini), along with opportunities for employee engagement, particularly mentoring, projects, internships, workshops and similar, that makes this a well-rounded program for students, and is the largest program of its kind with a pan India presence (27 States). Most notably, scholarships recipients donate to FFE when they are able: FFE's alumni contributed in excess of Rs. 1 Cr to the Foundation during FY 2020-21, making this a self-sustaining model that is expected to grow in the future.

**\*FFE's Scholarship Program\***

FFE's flagship Scholarship program is well established (27 years) and awards scholarships annually of up to Rs. 40,000 to students in Engineering, Medicine, Law and BPharm programs admitted to Govt. and Govt Aided colleges throughout India.

Students aspiring for this scholarship should fulfil the following criteria:

- Have scored a minimum of 70% in class X and XII board exams (Reduced to 40% for FY 2021-22 due to the pandemic)
- Have combined annual family income from all sources not more than INR 2,50,000 (Rs. 2.5 lakhs)

Typically, the application window will open in Aug/Sept and will continue till Dec 31st. We award a scholarship amount of Rs. 40,000/- to cover the college fees, Hostel/Mess fees of the student.

It would be good to get on a call and discuss how we can take this partnership further and work collectively toward the greater good. Do let us know a convenient date & time for the call.

Thank you
