Personal Interview (PI) Notification for admission to MCA Programme

The candidates for admission into the MCA programme of Tezpur University in the session 2021-22 who have provided the information required for consideration and who have been found eligible in a preliminary screening have been shortlisted and they are to appear in an online Personal Interview (PI) on dates and times mentioned below.

List	Date and Time for PI
List A	27-September-2021, 2 pm onwards
List B	28-September-2021, 9-30 am onwards
List C	28-September-2021, 2 pm onwards
List D	29-September-2021, 9-30 am onwards
List E	29-September-2021, 2 pm onwards

Important Points:

1. The online PI will be held via Google Meet and the applicants should be familiar with the use of Google Meet. A reporting link will be made available for the same half an hour before the scheduled time on the website http://www.tezu.ernet.in/dcompsec/mca_pi_link.html. They will be briefed about the PI procedure 15 minutes before the start of the interview.
2. Appearing in the PI as per schedule is mandatory, and candidates who fail to do so will be dropped from further consideration.
3. The candidates must arrange electronic devices at their side with good internet connectivity. The department cannot be held responsible for not appearing in the PI because of error/issue in the device and internet connectivity at the candidate's end. They must keep their camera and microphone on during the interview. The candidate should be in formal dress and alone in the room during the interview. Amount of light should be proper and there should be no noise.

4. Candidates should keep some blank sheets of paper and pen with them during the interview.
5. Selected candidates who have BCA, BSc(CS), BSc(IT) or equivalent Computer Science / Information Technology qualifications will have to undertake a Computer Science proficiency test after taking admission. Only those who clear the test will start the 2-year MCA programme immediately. All other selected candidates, including those who are from non-Computer Science Bachelor's programmes will have to undergo bridge courses for one-year before becoming eligible for starting the 2-year MCA programme.
6. No separate call letter or admit card will be sent.
