

TEZPUR UNIVERSITY

Admissions 2022-23

NOTICE

It has been observed that several applicants of BTech (NE Quota) have applied under the OBC category, whereas, their income data in the application reflects that they could have applied under OBC-NCL category. OBC-NCL is a reserved category, but OBC is not.

Similarly, some applicants of General category could have applied under the Economically Weaker Section (EWS) category, as the data filled in the respective forms reflect.

It has been decided to give a chance to the candidates to rectify their mistakes, if any, in selecting the category by allowing them to change the category from OBC to OBC-NCL or General to EWS.

For this, interested candidates may send an application by email to bssc2022@tezu.ernet.in stating that they had earlier chosen the category in the application by mistake, and now request to change their category from OBC to OBC-NCL or General to EWS, as the case may be. The application must be received within **03 September 2022** for effecting the changes.

Candidates must note that, for considering the OBC-NCL or EWS categories, **they must have certificate issued by the respective government authorities valid for the year 2022-23**. Mere production of a Ration Card or certificates from unauthorised officials (e.g. Village Headman/Gaoburha, Members of Town Committee or Municipality) will not be accepted as proof of OBC-NCL or EWS categories.

Issued with approval of the Competent Authority.
