NOTIFICATION

Whereas various Government departments and other funding agencies fix the last date of application for various Scholarship from time to time. For such applications, Scholarship section of the University is to verify and endorse by the Nodal Officer and Head of the Institution, which is time taking. Sometimes, process for verification & endorsement and uploading on the concerned portal may not be possible within the time line if the applications are submitted for verification on the last date of submission.

In view of the above, it is to inform all concerned that no **Joining cum Verification and other applications** for signing of Institute Nodal Officer and Head of the Institute will be received on last working day of the scheme closing date, i.e for this month of October 2025, if the Scheme closing date is 31-10-2025, so no **Joining cum Verification certificate will be received on that date for signature.**

Therefore, students those who are yet to apply for **joining cum Verification certificate for signature, have to submit their form within 30-10-2025.**

Students are also advised to go through the Scholarship Guidelines available in student's corner of Tezpur University website.
