Decision	<b>Approved.</b>

During discussion Prof. R. Haloi, Head of the Department of Applied Sciences ( former Associate Professor of the Department of Mathematical sciences), has raised a query for his clarification that whether he will be allowed to shift his PhD students from the Department of Mathematical Sciences to the Department of Applied Science in view of his resignation from the Department of Mathematical Sciences and joining in the Department of applied science. The Chairman of the meeting clarified that the students cannot be shifted, however, a supervisor may be allotted in the Department of Mathematical Sciences, and he can be the co-supervisor of the students.

As there was no any other agenda, the meeting ended with Vote of Thanks to and from the Chair.
