

TEZPUR UNIVERSITY

“NSE ACADEMY CERTIFIED CAPITAL MARKET PROFESSIONAL” (NCCMP)

About The Programme

Program Objectives:

- To create skilled manpower in the financial securities market.
- To impart operational knowledge and upgrade proficiency in the financial market.
- To provide with practical exposure of stock market to the participants.

Program Outcome:

- Ability to synthesise both theoretical knowledge & practical exposure to securities markets.
- Ability to discharge operational role in financial securities market.
- Preparedness to accept job roles in broking/financial institutions/banks as a dealer or as an investment advisor, career as a freelance financial analyst, agent, portfolio manager or as a sub-broker in capital market segment.
- Ability to start up a business of securities trading.

Expected Outcome of the Programme:

The aim of the NCCMP Programme is to develop skills and competency in securities markets. NCCMP programme is one of the flagship programs of NSE which has been successfully running across Pan India. Till now more than 6000

students have completed this training program successfully in India and this knowledge is highly recognized in the industry. The course helps the students to get both theoretical knowledge & practical exposure to securities markets. It is a tremendous value addition to regular graduation/post-graduation course. The programme imparts a high preparedness level for employment & boost confidence, skill set & resume. After completing the programme, the participants have prospects and job opportunities in broking/financial institutions/banks as a dealer or as an investment advisor, career as a freelance financial analyst, agent, and portfolio manager or as a sub-broker in capital market segment. Many students who were interested for placements of the past batches of NCCMP programme received Job offers.

Career Prospects/Opportunities of this course:

- ✓ Job opportunities in Broking/Financial institutions/Banks
- ✓ Career as an Investment Advisor
