About the University

Tezpur University came into existence on 21st January 1994 by an Act of Parliament of India, The Tezpur University Act, 1993 (Act No. 45). It is a Unitary and residential University, The university is located at Napaam, about 15 km east of Tezpur Town in Sonitpur District of Assam. The university has a campus area of about 262 acres. The sprawling and verdant beauty of the campus, the striking and well maintained academic buildings, and the engaging staff and student activities make the campus very vibrant .

Vision

To develop human excellence and inculcate leadership through hard work and creativity.

Mission

To render Tezpur University one of the most preferred destinations of students, faculty and scholars and employees.

To be in the Top 50 Universities of the world...

Currently, the university offers 72 carefully chosen academic courses through 28 departments under the Schools of Engineering, Humanities & Social Sciences, Management and Sciences. The university also offers 6 programs under its open and distance mode. With over 4601 students, 275 faculty members and 263 administrative and technical staff, the university is a hub of quality activities in higher education and research.

From Dean's Desk

Dr. Chandan Goswami

Professor, Dean - School of Management sciences, Tezpur University.

“ Greetings from the Department of Business Administration, Tezpur University. ”

At the outset, I would like to thank the recruiters who have been supporting us constantly by visiting our campus for their recruitment drive and giving us feedback on how we can make better leaders for tomorrow. Your feedback is taken very seriously and we take up initiatives to bridge the gap between your expectation and the quality of students, if any. I welcome you again for this year's recruitment drive.

We started our MBA programme in 1995 and since 1996 our MBA graduates have been continuously recruited by reputed organizations.

The programme on tourism was started in 2002 with a one year PGDTM programme, which was later upgraded to a two year MTTM programme in 2016. Pass out candidates from PGDTM/MTTM programme have also been contributing to the tourism sector in the form of either trained manpower or entrepreneur.

The biggest strength of the Department of Business Administration, Tezpur University is its faculty. We have fourteen permanent faculty members, many of them having industry experience.

Some of our faculty members have international teaching experience. Over and above the fourteen permanent faculty members, we also engage guest faculty and adjunct faculty to give our students industry and international exposure.

Our syllabus is revised at a regular interval. Senior alumni and industry experts are consulted during revision of syllabus so that new concepts can be incorporated.

Industry visits including foreign industry is a regular activity of both the MBA and MTTM programmes. Apart from industry visit locally, MBA students are sent for foreign excursion to visit industries abroad. For the MTTM programme, students are sent to foreign destinations to get exposure of the tourism activities of other foreign countries.

I welcome you all to visit our campus to check out our infrastructure and test the students during the forthcoming recruitment drive. I assure you satisfaction.

(Chandan Goswami)

From HOD's Desk

Dr. Tridib R. Sarma

Professor, Head - Department of Business Administration, Tezpur University.

“Greetings from the Department of Business Administration, Tezpur University.”

It fills our heart with joy that you have started flipping through these pages of our Placement Brochure. We feel blessed, and our students feel motivated that you have chosen to evaluate the polished diamonds that they are. That we been able to reach out to you, seeking positivity is by itself an encouraging feeling.

The Department of Business Administration, TU, has walked this distance of almost three decades, and is getting wider appreciation. TUMBA – as our Alumni are called – has created a brand name for itself in the Corporate world, thanks to organizations like yours. As our current batch of 2022-2024 readies itself to be picked up, the synergy expected to be created paves way for a holistic future as our students walk out to serve society. I feel confident that with your hand-holding and organizational tutelage, we would be heading towards a better tomorrow.

Tezpur University, a Central University, had meticulously handpicked this batch, polished their skill and acumen to align with need of times, and readied them for the world. This is the very foundation of our confidence that those whom you feel suitable for your requirements would be our contribution for your organizational growth. If the past is any indication, we remain assured that your organization would come back to us again in times to come.

With that happy feeling in mind, I welcome you to visit our beautiful campus of Tezpur University.

Kind Regards

(Tridib R. Sarma)

From TPO's Desk

Deena Davy

*Training and Placement Officer,
Tezpur University*

“ Dear Esteemed Recruiters,
Warm greetings from Tezpur University! ”

It is with great enthusiasm that I extend a warm welcome to you on behalf of Tezpur University. We are excited to introduce our Master of Business Administration (MBA) and Master of Tourism and Travel Management (MTTM) batch of 2024, a dynamic group of individuals poised to embark on their journey into the world of business and management.

Being in a central university with state of the art infrastructural facilities, our students are exposed to a wide array of engagements. Beyond Academics they are exposed to study of foreign languages, yoga, and professional grooming by certified corporate trainers such as Dale Carnegie, Tinker Labs, Capsim, and Tally Academy.

Our students actively engage in organizing corporate leader's talks, working on live projects, conducting case studies, and consistently excel in both inter-college and corporate competitions, demonstrating their ability to thrive in a competitive environment. We are deeply committed and proactive in meeting industry demands for the talented individuals you seek.

We invite you to explore the profiles of our MBA & MTTM students in this brochure and discover the wealth of talent waiting to contribute to your organization's growth and success. To initiate the recruitment process or to learn more about how you can connect with our students, please do not hesitate to reach out to our Placement Cell. We are here to facilitate a smooth and productive recruitment experience for you.

We extend our heartfelt thanks for considering Tezpur University as a source of top-tier talent. We eagerly anticipate the opportunity to collaborate with your organization and witness the positive impact our students will make in the corporate world.

Best Regards,

Deena Davy
Training and Placement
Officer

About the Department

The department of Business Administration came into existence on January 1995, though enrollment to its first batch of students to its Flagship 2- year full time MBA programme. The programme is recognised by the AICTE. The department is engaged in pursuing research, consulting and training, apart from imparting quality management education.

Vision

To be a coveted knowledge hub of management education for creating socially responsible global citizens.

Mission

Educating manpower to meet global managerial requirements and promote entrepreneurial culture and sustainable development.

WHY TU MBA?

"Management in Practice" wonderfully captures the mission and spirit of TUMBA and of every student who enrolls in the programme to graduate from this esteemed B-School as a budding manager. At TUMBA, every area of a student's life throughout the two-year period involves decision making and its consequent effects.

Students are taught a solid foundation in the many functional components of management such as Finance, Marketing, Operations, Human Resource management, and Information Technology, throughout the first year of the two year MBA programme. Students select their area of specialty in the second year while taking courses that are created to satisfy current industry standards.

CURRICULUM**

**STUDENT DRIVEN CLUBS
AND ACTIVITIES**

DUAL SPECIALISATIONS

Student Activities

Students at Dept of Business Administration, Tezpur University get hands-on experience managing and coordinating events through various student groups and forums. The objective is to get students engaged in social outreach with industry peers and learn the basics of managing events.

FORMEX

Formex (Forum for Managerial Excellence) is the student activity body of the Department of Business Administration, Tezpur University, constituted by the students with active participation from the faculty members. The forum undertakes activities like organizing seminars, popular talks, guest lectures, management games etc. The forum is headed by the Head of the Department in the capacity of President. The day-to-day activities are looked after by the executive body that comprises of the Working President, Formex Co-ordinators, Treasurer and the co-ordinators of various clubs under Formex.

GUEST LECTURES

WORKSHOPS AND TRAINING PROGRAMS

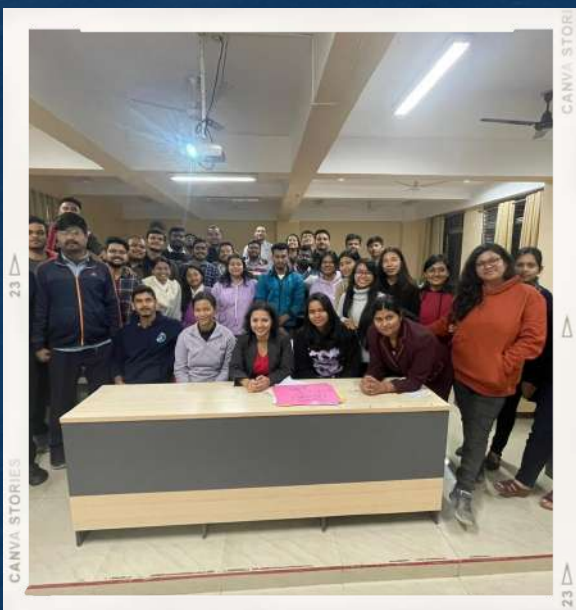

Students at Dept of Business Administration Tezpur University are trained in various industry relevant , technical and soft skills over the duration of two years to make them market ready and ensuring they have all the necessary skills in the corporate world.

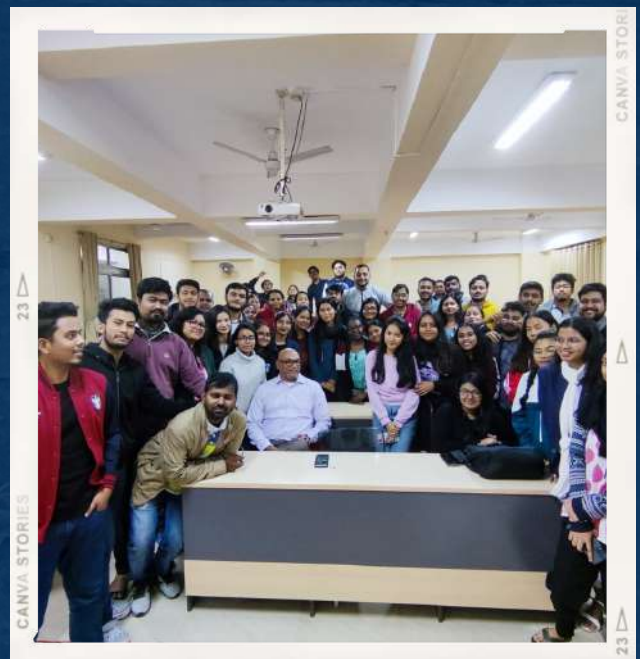

Dale Carnegie Personality Enhancement Workshop

Resume Writing Workshop

Design Thinking Workshop

Advanced Excel Workshop

SAMPARK

Sampark... the interface is the benchmark event of the Department of Business Administration, Tezpur University, organized mainly by the students with active and unparalleled support from the faculty members. Sampark aims at establishing a synergic relationship and interface platform where the management fraternity from both the corporate and academic worlds can share their experience, thereby, enriching the students who are supposedly the measure of a nation's future development. This in turn helps promote and propagate a culture of management consciousness among the people of North-East in particular.

Sampark is a barometer of marking progress of Tezpur University Masters of Business Administration (TUMBA). With Sampark, the School of Management Sciences in particular and Tezpur University in general aim to help a glorious past and illustrious present shake their hands to script a golden future.

WHY TU MTTM?

The MTTM program is composed of both practical and theoretical practices to develop a certain level of skills and knowledge required to excel in the tourism sector. This is to generate an adaptable workforce to sustain in the field of tourism, finance, and service and hospitality management. The entire course offers various papers on relevant topics of the industry starting with the fundamentals of tourism, soft-skills, accounts and finance, hospitality management, and human resource management.. The students are also introduced to foreign languages through compulsory choice based credit transfer system during each semester. To be in the forefront of the growing tourism trends in the entire region of North-east India, we have established a benchmark among the peers through education and research platforms

Faculty Speaks

“

Greetings from the Department of Business Administration, School of Management Sciences, Tezpur University.

We are grateful for your continuous faith in us for more than 25 years. We believe that our students have justified their selection and are performing well in the organizations that put faith in them.

Our curriculum is dynamic striving to incorporate industry needs with innovative thinking, leadership, and constructive decision-making. The vibrant community life on campus scopes the students to manage and participate in co-curricular and extracurricular activities which help them grow beyond classrooms.

The department has been the forerunner in management education in North East India with its flagship programme of Master of Business Administration with dual specialization since 1995. The department also introduced tourism education in 2002 with a Post-Graduate Diploma programme. The PGDP was upgraded to a two-year master's degree programme (Master of Travel and Tourism Management) in 2016 to provide the much-needed competent manpower to the tourism industry at the national and international levels.

We have immense pleasure in introducing the vibrant 20th batch of MBA and the flamboyant 4th batch of MTTM students.

We welcome you to partner in our journey towards building world-class talent for a sustainable society.

”

Signature.

DR. ANJAN BHUYAN

Faculty Speaks

“

We are proud of our students and alumni. The department of Business Administration keeps no stone unturned to hone the skills of students and imbibe the right kind of values for a professional career. The emphasis is on creating a conducive environment in the institution for nurturing them so that they can become an asset to any organization. Tezpur University also takes care of students' holistic development and inclusivity, and train them to become future leaders and add value to the society. I am sure that if they are suitably engaged and extended the necessary support, they will excel.

ALUMNI's Words

Dear future leaders of TUMBA,

I hope this message of mine finds you all in positive spirits and enjoying your academic journey at our esteemed university. As a senior alumnus from the second batch, I feel privileged to address the future leaders of business and management.

Enjoy your journey at TUMBA. All that pressure, hard work, challenge you face there will prepare and harden you for the road ahead outside the campus. I still remember my early days there which was a mixture of uncertainty and excitement. Initially every day seemed like a challenge with all those surprise tests, weekly tests, assignments, presentations and what not. You might feel the same way but let me reassure you that all that will prepare you for the world outside the campus.

As I look back and reflect my journey, I want to share a few learning's of mine.

- 1) Always dream big
- 2) Keep learning something new everyday
- 3) Build and maintain relationships
- 4) Balance work and life, stay fit and happy
- 5) Time management

Wishing you all the best. Keep shining!

Joydeep Chakrabarty

Hat, Ex Wipro
1996-98 batch**

ALUMNI's Words

"Nestled in the blue hills, the red river and green forests is the beautiful campus of my alma mater of Management Studies – Tezpur University MBA.

Coming from a region faced with multiple challenges in terms of access, exposure & employment, TU transformed us to be hardworking, resilient & adaptable in addition to the know-how of management sciences. What stood out for me was the paper called Entrepreneurship Development, which was aimed at making each of us ready to start on our own whether there were enough jobs or not in the region. It couldn't be more relevant than in today's "startup India" ecosystem. Whether one becomes an entrepreneur or a manager in any organization, big or small, an entrepreneurial attitude is the cutting edge to excel, and today's corporate India is looking for it along with other skills.

My gratitude to the institute for making us entrepreneurial managers with higher adversity quotients & good luck to the newer batches for brighter futures."

*Thanks & Regards,
Nandini S*

ALUMNI's Words

" When I look back at my stay at TUMBA, which was more than 2 decades back, I feel it acted as the right enabler between my inherent skills as a student & a corporate newbie ! Those two years gave me the opportunity to meet a diverse set of sharper minds which allowed me to challenge my beliefs every day ! The inclusive environment that one experiences in the campus builds the formation of an inclusive & empathetic leader. As the latest batches embark on their corporate journey, they should continue to focus on empathetic leadership, sustainability & staying relevant by learning new skill sets. I wish the current & upcoming batches all the very best !"

Nitumani Goswami
