

Department of Commerce Tezpur University

Distribution of study materials and stationeries on 15th August 2022 by the Students of the Department

As the entire nation celebrated India's 75th year of independence and 76th Independence Day with unprecedented prompt and vigour, the Department of Commerce of Tezpur University also took

part in the celebrations in a unique way. It is known to all that at the time of independence, India's literacy rate was just 12 percent of the entire population. With untiring efforts over the 75 years, the literacy rate today stands at 77.7 percent. To celebrate this milestone and encourage more to join the league, on this occasion of "Azadi Ka Amrit Mahotsav", the Department

of Commerce took to distributing study materials and stationeries to nearly 50 needy school students from the adjacent villages. With this initiative, the Department aspires to encourage the spirit of education and to contribute its modest share of service to our great nation. Emphasizing on the importance of education, the great Vijaya Lakshmi Pandit once commented, "Education is not merely a means for earning a living or an instrument for the acquisition of wealth. It is an initiation into life of spirit, a training of the human soul in the pursuit of truth and the

practice of virtue."
