

## Tentative Mid-Term Schedule, Autumn 2021

| Date       | BT 7        | MCA 3             | MCA 5       | MT IT 3     | MT CSE 3    | PhD         |
|------------|-------------|-------------------|-------------|-------------|-------------|-------------|
| 24.09.2021 | CT465/CT430 |                   |             |             |             |             |
| 27.09.2021 | BM322       | CS519             | BA544       |             |             |             |
| 29.09.2021 | CO434       | CS602             | CS602       |             |             | CS602       |
| 01.10.2021 | CO519/CS538 | CO519/CS538       | CO519/CS538 | CO519/CS538 | CO519/CS538 | CS538       |
| 04.10.2021 | IT509/CO513 | IT509/CO513/CS516 | IT509/CO513 | IT509/CO513 | IT509/CO513 | CO513       |
| 06.10.2021 | CO401       | CS525             | CS525       | CS525       | CS525       | CS701       |
| 08.10.2021 | OE          | OE                | OE          | OE          | OE          | OE          |
| 09.10.2021 | IT510/CO435 | CS621/CS522       | CS621/CS404 | CS621       | CS621       | CS704       |
| 11.10.2021 | CO504/CS610 | CO504             | CO504       | CO504/CS610 | CO504/CS610 | CO504/CS610 |

| Sl. No. | Code        | Subject                                                      |
|---------|-------------|--------------------------------------------------------------|
| 1       | BA544       | Principle Of Management                                      |
| 2       | BM322       | Social Responsibility and Professional Ethics of Engineering |
| 3       | CO401/CS525 | Artificial Intelligence                                      |
| 4       | CO434/CS602 | Image Processing                                             |
| 5       | CO435/CS621 | Mobile Computing                                             |
| 6       | CO504       | Natural Language Processing                                  |
| 7       | CO513       | Fundamentals of Speech Processing                            |
| 8       | CO519       | Internet of Things                                           |
| 9       | CS516       | Operating Systems                                            |
| 10      | CS519       | Computer Networks                                            |
| 11      | CS522       | Computer Graphics                                            |
| 12      | CS538       | Computational Geometry                                       |
| 13      | CS610       | Bioinformatics                                               |
| 14      | CS701       | Algorithms and Complexity                                    |
| 15      | CS704       | Doctoral Research Methodology                                |
| 16      | CT465/CT430 | Indian Traditional Knowledge                                 |
| 17      | IT509       | Data Mining & Data Warehousing                               |
| 18      | IT510       | Advanced Operating Systems                                   |
| 19      | CS404       | Programming & Problem Solving                                |
