#### NOTE-

- Maximum two students are permitted to form a group.
- Project topics are assigned to the students based on their top five preferences, comments, and CGPAs.
- When assigning group project, the two students' maximum CGPA was considered.
- Project topics are allotted based on the ascending order of their CGPA (highest to lowest).
- All groups are requested to contact their respective guides at the earliest.
- Those who have not submitted their preference will be assigned project by the department.
