

DEPARTMENT OF CHEMICAL SCIENCES: TEZPUR UNIVERSITY

Advisories on dress of students in the department

The following advisories on attires of the students of the department (both boys and girls belonging to UG, PG and PhD courses) are recommended to maintain overall decorum, discipline and sound academic ambience in the department.

1. Students are advised to wear decent and modest dress while in the department. Formal and semiformal dresses are encouraged while attending classes.
2. Avoid wearing revealing and offensive dress.
3. It is also advised not to wear casual dresses like- shorts, skirts, torn jeans, lounge wear, sleeveless dresses, bathroom slippers etc. while participating in any activity in the department and while working in the laboratories.

Overall, the neat, clean and elegant appearance of a person is always desirable and conducive to maintaining a healthy environment in the workplace.

These advisories are in addition to the existing standard guidelines on laboratory dress.
