

Student Feedback Analysis Autumn 2023

Observation on Course

1. All the courses have been completed on time.
2. Students are satisfied with the transaction of the course.
3. Activities can be reduced in School Internship

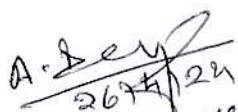

Observation on Instructor

1. Sufficient study materials and provisions for enhancing visions were encouraged by all instructors.
2. Use of ICT in classroom was adopted by all instructors and also encouraged to use.
3. Course assignments other than Test-II may be minimised

Other Observations and Suggestions

1. Students face problems in communicating in English
2. Seminars can be conducted on alternative pedagogy.
3. All the classrooms should be equipped with SMART displays with audio
4. Field visits related to various courses may be organised
