

Student Feedback Analysis Spring 2023

Observation on Course

1. Students are satisfied with the transaction of the course.
2. All the courses have been completed on time.
2. Following papers should be kept before the School Internship
Creating Inclusive School (BD577),
Guidance and Counselling (BD578) and
Critical Understanding of ICT (BD581).

Observation on Instructor

1. Adequate reading and study materials have been provided to students
2. Adopting and using of alternative pedagogy (Role play, music, craft etc.)

Other Observations and Suggestions

1. Extra facilitation in improving Writing skill in English
2. Workshop can be conducted on alternative pedagogy.
3. Classrooms can be equipped with audio systems
4. Voice of the instructors not audible to few students seating in a big classroom
