MESSAGE FROM VICE CHANCELLOR

I take this opportunity to write a few words for the Department of Education, Tezpur University which has one of the best physical and academic infrastructure. It gives me immense pleasure to take note of the fact that the Department is pursuing a holistic approach to inculcate right values among students to produce socially sensitive and learned citizens. The Department encourages not only academic curricular activities, but also co-curricular and extension activities from time to time assisted by the dedicated team of faculty members.

I am also happy to note that the Department has established academic linkages with other researchers and institutions of reputation to enrich the academic environment. Thus, overall, the Department provides expertise and educational experience relevant to National and global requirements in contemporary context.

I am confident that the Department of Education, Tezpur University will reach greater heights of excellence nationally and internationally in the days to come and attract more students from various parts of the country and abroad.

MESSAGE FROM HEAD OF DEPARTMENT

It is my pleasure and honor to welcome you to the Department of Education, Tezpur University that is one of the premier institutions of North East India, unique like a prism reflecting the manifold shades of learning and co-curricular activities. The Department of Education bequeaths students with the capability to apply knowledge of Education and Teaching to work and deliver efficiently in multidisciplinary teams, endow with leadership and teaching expertise, and practice education with ethical approaches.

The Department has excellent facilities which are being upgraded from time to time and provide ample opportunities for the students to learn and apply. The Department organizes interactive lectures and Faculty Development Programs/ Seminars by inviting Educationists and experts from varied institutes for the overall development of students as well as for faculties.

This brochure provides an overview of the academic programs, research activities, various amenities and profiles of faculty members along with various aspects of the department. We hope that whether you are a prospective undergraduate or graduate student, researcher of another Institute/University, or a visitor, you will find this brochure informative.

Thank you for visiting us.

ABOUT THE DEPARTMENT

The Department of Education, Tezpur University was established in the year 2014. The department of education is running four programmes at present. One of them is Two-Year B.Ed. Programme, which is designed to meet the professional requirements of secondary school teachers in Science and Mathematics, and Languages and Social Sciences. Second programme is Four-Year Integrated B.A./B.Sc.B.Ed. in collaboration with department of English, Mathematics, Chemical Sciences and Physics. Both programmes are designed in such a way that trainee teacher becomes well versed in content knowledge, pedagogy and communication skills which are integrated throughout the duration of programme in an organized manner (bridging the gap between theory and practice). The Two-Year B.Ed. programme has been one the most prestigious programmes offered by the Department of Education, Tezpur University. Our trainee teachers were selected for not only regular/Govt. job of teachers in Assam but also in Kendriya Vidyalaya Sangathan (KVS), Army Public School, Delhi Public School (DPS) and other reputed schools of the country. Third programme is M.A. in Education, which provides learners wider, and more comprehensive understanding of education as a field of knowledge. This programme is designed to equip the learners with necessary competencies to participate in educational actions in different areas of education effectively as a professional. Fourth programme is Ph.D. in Education, which provides doctorate degree awarded by university that qualifies the holder to teach at the university/college level or to work in any profession. The students are selected through Common Entrance Examination for all programmes. However, for the academic session 2022-2023 students will be selected to get admission in Two-Year B.Ed.; Four-Year Integrated B.Sc.B.Ed. & M.A.in Education Programme through CUCET (Central Universities Common Entrance Test).
