ABOUT "GO GREEN"

"Go green" title has been given to reflect our participation through more green. In the last and 'very fast' developmental years; it has been realised that we are not paying sufficient attention to the 'environment' for which we are currently facing major issues like global warming, flash flood, landslide etc. Therefore it's high time to take some initiative i.e. - tree plantation.

WHY "GO GREEN"

Taking account of the degradation of the environment "Go for Green" is one of the perfect and most crucial topic/matter to be discussed and make everyone aware of what is happening around the world.

PROCEDURAL DETAILS

BEFORE THE EVENT

On the account of Anti-ragging week, our HOD had instructed us to organize a meaningful event with the theme 'GO GREEN'; Few of us were grouped together to organize this event.

After the announcement was made a meeting was held among the group members regarding each and details that needed to be paid attention during the event. We decided on the roles and responsibilities of each person. Then a small vision was summarized among us to further proceed. It took more than a hour for the meeting to end and we had a definite plan by now.

After sharing our plan with the professor's we decided on planting indoor plants on pot inside department. Plant cuttings of the indoor plants was collected from various sites in university.

On the day of the event some of the members went out in the morning to collect the cuttings of plants to be potted. The pots were also re-made by painting it with different colors and motifs. Majority of the group members worked together in this process. After everything was ready we were waiting for the event to start after 4:30 PM on 13th August.

During the event

→ Taking respective seats by the co-ordinators Dr Gopal Singh, Dr Sanghamitra Das, Hod Dr Sashapra Chakrawarty and Asst. professors Dr Yeasmin Sultana and Mr. Mohammad Akif.

→ **WELCOME ADDRESS** by B.Ed (2 years) 3rd sem student Himanshu Prasad Rawari and briefly addressed the significance of today's event.

→ **SPEECH** by the Head of the department. Greeted everyone and briefly described the significance of the ANTI-RAGGING week and appreciated the organizers- B.Ed 3rd Sem students as well as the co-ordinators and handed over the coordination to the next event to Mr Mohammad Akif.

DURING THE EVENT

→ **SPEECH** by B.Ed (2 years) 3rd Sem student Birhang Daimari about the role of tree in our environment and for our future.

→ **SPEECH** by Dr Akash Ranjan on the significance of tree plantation in our lives and how different researchers are going on around the world to improve quality life and the environment. Also encouraged the students and all the attendees to plant trees and also look after it after the plantation.

→ **STARTING OF THE MAIN ACTIVITY:**
INDOOR TREE PLANTATION —

★ Plantation of the Snake plant, Catharanthus Roseus and Dracaena sanderiana plants by Hod, Dr Akash Ranjan and Dr Gopal Singh.

DURING THE EVENT

- Plantation done by the Phd Scholars, MEd 1st sem, M.A 1st Sem & 3rd sem, B.Ed. 1st sem & 3rd sem students.
- Towards the end the students had a photo session and the organisers re arranged the newly planted indoor plants in the different places of the department.
- The event ended with a little bit of cleaning of the classroom and re-arrangement of the desks and benches for the next day.

AFTER THE EVENT

After the planting of cuttings was over, the pots were placed neatly along the entrance of the department. Some of our members did participate in cleaning the table and handling the leftovers of the event.

Feedback forms were given to 40 students among the participants and they all have filled the forms diligently. Taking in various responses from participants it was good to feel that the event organized was meaningful and has reached its objectives.

Feedback Summary

Participants were asked to fill a feedback form through which we realized that almost every individual have participated in the plantation actively in various stages of their life.

The students of Education department shared their views on how organizing such events really help in spreading awareness and making the people realize about what small changes can be brought to maintain the beauty of our planet.

Our privileged planet just needs a little bit of care for it to flourish and sustain.

REFLECTION

The event turned out to be a successful event. We could feel how every individual who participated understood the cause and came together for a better tomorrow.

Since, the event was a group activity it was fun and great learning experience for all of us. There is a desire to organize more such events in a splendid manner without any hassle. We all had few regrets here and there but were happy with the result. We did not only learned to work as team but also came across various perspective which will help us grow both professionally and personally. As a prospective teacher we must harbour the spirit of collaboration among ourselves and others.

We thank the department and our honorable HOD ma'am for giving us such an opportunity to organize event on one of the most important aspect required to nurture and save mother Earth.
