Sl.no.	Comments	Programme	Steps taken/proposed to take
1	Fundamentals of current research trends which are expected to be commercialised in the next ten years must be added to course content as one brief module	B.Tech in ECE	To be forwarded to the course revision committee for exploring feasibility
2	With respect to sl. No. 4, I would like to posit that the course "probability theory and stochastic" process could be taught prior to "analog and digital communications".	B.Tech in ECE	To be forwarded to the course revision committee for exploring feasibility
3	Additional topic to be included: Biodesign	B.Tech in ECE	To be forwarded to the course revision committee
4	The programme may be considered as an exchange programme in one semester for practical exposure of students to the real world for better career enhancement.	M Tech Bioelectronics	The provision is already available for eligible students in other reputed institutions/ research organization/industry.
