

A report on the  
Workshop organised to create awareness on  
'Good Academic Research Practices'

An event to celebrate '*Azadi Ka Amrit Mahotsav*'

Organised by  
Department of Energy, Tezpur University  
9<sup>th</sup> December 2021

Coordinator:  
Dr. Nabin Sarmah  
Assistant Professor

A workshop on the 'Good Academic Research Practices' was organised on 9<sup>th</sup> December 2021 in the Seminar Hall of Department of Energy. This was a part of the events to celebrate '**Azadi Ka Amrit Mahotsav**' in the Department of Energy, Tezpur University. As per the schedule the programme started at 3:00PM in the presence of the all the students and faculty members of the Department of Energy. For the 1<sup>st</sup> semester students (attending online classes from home) online broadcast through google meet was organised. Head, Department of Energy Prof. Debendra Chandra Baruah welcomed all the audiences and mentioned the genesis of the workshop and the importance of the 'Good Academic Research Practices'. This was followed by a talk delivered by Dr. Sadhan Mahapatra, Associate Professor detailing the relevance of good academic research practices in Tezpur University. He also discussed about the ethics in research publications and parameter related to publications such as impact factor, h-index etc. In the following talk Dr Nabin Sarmah, coordinator of the event discussed in details research ethics, guidelines for smooth preparation and execution of academic research. A panel discussion was scheduled to address the queries of the audience. The faculty members of the Department of Energy were the panellist in the discussion. Based on the talks and discussion, a competition among the student as announced as mentioned in the brochure. 'Conceptual Poster Making Competition' in two categories among MTech and PhD students were announced having prize money of Rs 1500/-, Rs 1000/- and Rs 500/-for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> position. Students were encouraged to take part in the competition with new ideas in the poster preparation on the announced theme. The event concluded with vote of thanks from the organiser and light refreshment. With the active participation of students and faculty members, the event is found to be successful and hope that the event was able to ignite the minds of young researchers/students to follow the good academic research practices. The brochure and few photographs of the event is provided in the annexure-I and annexure-II respectively.
