

Nabin Sarmah

Department of Energy, Tezpur University, Napaam, Assam, India

Email: nabin@tezu.ernet.in

Ph: +91 (0) 3712275314(O)

CURRENT PROFILE:

Assistant Professor, Department of Energy, Tezpur University, Tezpur, Assam, India

WORK/RESEARCH EXPERIENCES:

Post-Doctoral Research Fellow (June 2013-Sepember2014): Environment and Sustainability Institute, University of Exeter, UK; Project: ‘Development and Integration of Biomass and Concentrating Photovoltaic System for Rural and Urban energy Bridge: BioCPV’.

Post-Doctoral Research Associate (January2012 – April2013): Heriot Watt University, UK; Project: Development and Integration of Biomass and Concentrating Photovoltaic System for Rural and Urban energy Bridge: BioCPV.

Research Assistant (April 2011 – December 2011): ‘Active Solar Panel Initiative’ in Mechanical Engineering department, Heriot Watt University, UK.

PhD project (2008 - 2012): ‘Design and Performance Evaluation of a Low Concentrating Line-axis Dielectric Photovoltaic System’ in Mechanical Engineering Department, Heriot-Watt University, UK.

Masters project (2006 - 2007): ‘Functionalization of Multi-walled carbon nanotubes and application in phenolic resin-based composites’ in the National Physical Laboratory, New Delhi

EDUCATIONAL BACKGROUND:

Doctor of Philosophy (Mechanical Engineering), Heriot-Watt University, UK	2008-2012
Master of Technology (Energy Technology), Tezpur University, India	2005-2007 (1 st Class)
Master of Science (Physics), Tezpur University, India	2001-2003 (1 st Class)
Bachelor of Science (Physics), Gauhati University, India	1997-2001 (1 st Class)

RESEARCH GRANTS

- Co-Investigator of Tezpur University for the IMPRINT project “Multi-Crop Residue Processing Technology Package for Production of Fuel and Fertilizer”, Grant amount ₹ 1,40,78,592 (IMP/2019/000247); 2019; Funded by: DST-SERB, India.
- Principle Investigator of Tezpur University for the project “India-UK Center for Education and Research in Clean Energy (IUCERCE)”; Grant amount: ₹ 74,56,400 (DST/RCUK/JVCCE/2015/04(4) (G)); 2017
- Principle Investigator of UGC Start-Up grant: ₹ 6,00,000 (F.30-33/2014 (BSR)); 2015
- Research grant of £4000: Through EU 7-framework early researcher programme to carry-out collaborative research work in Indian Institute of Technology Guwahati, India (December2012-February2013).

FELLOWSHIP/SCHOLARSHIP

PhD fellowship from Heriot-Watt University, UK (May2008-April2011)

Achieved an exchange student scholarship to work in the Beijing Jiaotong University, China for two months during PhD (January2011-March2011)

TEACHING:

Assistant Professor (Tezpur University, India): Taking lectures on the ‘Solar Energy’ and general laboratory courses for M.Tech. in Energy Technology program.

Teaching Fellow (Heriot-Watt University, UK): Worked as teaching fellow in the University of Exeter and delivered lecture for undergraduate course on Renewable Energy (2013-2014).

Teaching Assistant (Heriot-Watt University, UK): Worked as a teaching assistant for module ‘Renewable Energy Technologies’ and ‘Fundamental of Renewable Energy’ of the ‘M.Sc. in Renewable Energy’ courses (2009-2012).

SUPERVISION:

- ❖ Currently Supervising 4 PhD Students and 4 Masters Students as Primary Supervisor
- ❖ Supervised 10 Master Students in Tezpur University for project of one-year duration
- ❖ Supervised 2 PhD student as mentor (or proxy-supervisor) during Post-doctoral position in University of Exeter, UK:
 - Design and development of receiver assembly for high concentrating photovoltaic system with micro-fin for passive cooling.
 - Secondary concentrator design for high concentrating photovoltaic system.
- ❖ Supervised 3 Masters students, 3 undergraduate students and 3 exchange students as a co-supervisor during PhD and Post-Doctoral Positions in Heriot-Watt University and University of Exeter.
