Dear Madam/Sir,

Greetings from the Department of Energy, Tezpur University!

Tezpur University is a unitary-type central university that was awarded the Visitor's "Best University" award for the year 2016 and has received A+ accreditation from NAAC.

The Department of Energy, established in 1996, is one of the oldest full-fledged departments in the country. It has been at the forefront of teaching, research, and extension in the cross-cutting areas of energy. The Department offers a two-year AICTE-approved MTech program in Energy Technology and a PhD program in Energy-related areas. We are not just a place for academic pursuit but also where aspiring minds are empowered to build a sustainable future. The world needs clean, efficient energy solutions; innovation is the key to unlocking this potential. Our curriculum is carefully designed to provide the necessary knowledge and expertise to address the most pressing challenges in the energy sector.

Envision a talent pool where individuals skillfully navigate the complexities of harnessing renewable energy, energy efficiency and all within a comprehensive program. Our graduates are highly qualified and exceptional due to our comprehensive approach. They are versatile and adaptable to the ever-changing needs of the industry. They possess a diverse skill set that enables them to seamlessly integrate with existing teams, quickly adapt to new technologies, and provide a holistic perspective to complex energy projects.

The department has been active for over two decades, producing several batches of students. We are proud to share that many alumni hold responsible positions in reputable industries, public sector undertakings, academic institutions, and government ministries/departments. The Department of Energy invites you to join us on a transformative journey. Understanding your need for qualified human resources, we invite you to consider recruiting from our department through campus placement exercises. Please let us know your availability so we can make the necessary arrangements.

You can find more details on our university website: <http://www.tezu.ernet.in/dener>. If you require additional information, please don't hesitate to contact us. We are looking forward to interacting with you.

Thanks & regards

Sadhan Mahapatra, PhD (IISc)
Professor and Head
