

Guidelines for Poster Presentation

1. The poster must be printed in portrait layout (3 feet wide × 4 feet high) and should be easily read from 3 feet distance.
2. The title of the poster should appear at the top and centre in bold letters.
3. The author(s) name(s) and affiliation(s) should be below the title.
4. The poster should be attractive and provide a brief overview of the work.
5. There will be a poster session during the National Seminar cum Workshop. It is required that the registered author be present during this session to answer questions from delegates.
