

# **ONE-DAY NATIONAL WORKSHOP ON THE ART OF LEGAL RESEARCH: WRITING AND PUBLISHING IN LAW**

**organized by**

**DEPARTMENT OF LAW  
TEZPUR UNIVERSITY**

**DATE: NOVEMBER 5, 2024**

**VENUE:  
DEPARTMENT OF LAW, TEZPUR UNIVERSITY**

## CONCEPT NOTE

Legal research, writing, and publishing form the backbone of the legal profession, supporting the development of law, improving legal practice, and promoting justice and public awareness. This one-day workshop will provide participants with hands-on training and expert guidance on legal research paper writing, and publishing in reputable legal journals. It aims to foster a culture of high-quality legal research and scholarship, equipping participants with the skills and knowledge necessary to make meaningful contributions to the legal academia.

Through interactive sessions, panel discussions, and group exercises, participants will gain practical insights into:

- Conducting effective legal research
- Organizing and structuring legal research papers
- Journal publishing processes and peer review
- Emerging trends and innovations in legal research

### **Objectives of the Workshop:**

The primary objective of the workshop is to equip law students, researchers, and faculty members with essential skills in legal research, writing, and publishing, enhancing their ability to produce high-quality research papers and contribute to the legal academia. The specific objectives include:

- **Overview of Legal Research:** To introduce the participants to legal research methodologies and help understand the importance of research in law.
- **Crafting Legal Research Paper:** To learn the art of identifying research topics and questions; conducting literature review and outlining and structuring research papers.
- **Style of Legal Writing:** To stress on the need for clarity, concision, and precision in writing; along with avoiding plagiarism.
- **Understanding Journal Publishing Processes:** To understand journal publishing processes; selecting suitable journals and peer review and revision processes.

## **Expected Outcomes of the Workshop:**

- Enhanced understanding of legal research
- Improved legal writing and publishing skills
- Increased confidence in producing high-quality legal research papers
- Familiarity with emerging trends in legal research

## **Eligibility:**

- Academicians teaching law
- Research scholars
- LL.M. Students

## **No. of participants:**

20 (on first come first serve basis)
