

CONCEPT NOTE

World at large is jubilant with the conveniences of the modern times. However, the complexities of the new world is tremendously impacting on edifice of the human living. Such changing socio-economic conditions are creating new challenges and opportunities for the growth of law in society. On one hand, there are tremendous increase in the framing of new laws, on the other, the application of the new laws is being viewed from multiple perspectives negating the conventional doctrine of law. Legal Research has become an enormously potential field in such an ever-evolving trajectory in the evolution of law and jurisprudence. The workshop on Legal Research Methodology organized by the Department of Law, Tezpur University will shed light on various methodological aspects of Legal Research in contemporary times.
