

Notice for MS 408 and MI 304

Dated: March 18, 2020

All students registered for the above Courses are hereby informed that the Courses shall be run as per original lesson plan in the MOODLE platform at <<https://dhazarika.gnomio.com>> which was put in place (since 26th February, 2020) as an off classroom component.

We shall continue our course coverage as follows:

- The course material shall be uploaded as per schedule of the original lesson plan. (The detailed plan and portion of the syllabus to be covered in the next two weeks has been uploaded under the header “course during shutdown”.)
 - The first week study material has been uploaded and shall be followed up by assignment sheets, online quizzes and more study material.
 - The study material shall be in the form of presentation slides/video lectures.
 - These are placed under the header “after Mid-term” below the earlier portion.
- A class test (Test-III) shall be conducted in the form of online submission of assignment at a later stage on the covered portion.
- Students shall regularly go through the study material and carry out the assignments and other exercises that will be uploaded every week.
- Queries regarding difficulties in solving problems, understanding etc, the same should be placed in the discussion forum. They may directly type their queries in the latex enabled windows available in the forum or simply attach snapshots.

Please note that

- All students have already been enrolled and informed via e-mail for the relevant courses in February itself.
- In case of any difficulty in assessing the material, the student should mail to the course instructor.
- Some additional (expository) materials are being uploaded on related topics for interested readers. These are not a part of the regular curriculum.
