

# **Title of the project**

A Project Report

Submitted in fulfillment of the  
requirements for the completion of the course  
MI/MS 515 : Project during the program Integrated M.Sc/M.Sc in Mathematics.

**Submitted by**

**Name of the student**

**Roll No.....**

**Supervised by**

**Name of the supervisor**

**Submitted to**

**Department of Mathematical Sciences**

**Tezpur University, Napaam**

**Tezpur-784028**

**Assam, India**

**2021**

# **ABSTRACT**

Write the abstract of the project.

## **DECLARATION BY THE CANDIDATE**

I, ....., do hereby declare that the subject matter in this project report, is the record of survey work/research work, done by me during the 9th/3rd semester and 10th/4th semester of my Integrated M.Sc./ M.Sc. course with full integrity, honesty and concentration under the immaculate supervision of .....(Name of the supervisor), Department of Mathematical Sciences and submitted to the Department of Mathematical Sciences, Tezpur University in fulfilment of the requirements for completing the course **MI/MS 515: Project**.

Date:.....

Place: .....

Name of the student

# ACKNOWLEDGEMENT

Write the acknowledgement.

Name of the student

# Contents

<b>1</b>	<b>Introduction and Preliminaries</b>	<b>1</b>
1.1	Introduction . . . . .	1
1.1.1	Title of the Subsection . . . . .	1
1.2	Insert more sections if required . . . . .	1
<b>2</b>	<b>Title of the Chapter</b>	<b>2</b>
2.1	Title of the Section . . . . .	2
2.1.1	Title of the Subsection . . . . .	2
2.2	Insert more sections if required . . . . .	2
<b>3</b>	<b>Insert more chapters if required</b>	<b>3</b>
3.1	Title of the Section . . . . .	3
3.1.1	Title of the Subsection . . . . .	3
3.2	Insert more sections if required . . . . .	3
<b>4</b>	<b>Summary/Conclusion and Scope of further study</b>	<b>4</b>

# Chapter 1

## Introduction and Preliminaries

### 1.1 Introduction

#### 1.1.1 Title of the Subsection

### 1.2 Insert more sections if required

**Definition 1.2.1.** *All the definitions should be written in this environment.*

**Proposition 1.2.1.** *All the propositions should be written in this environment.*

**Theorem 1.2.2.** *All the theorems should be written in this environment.*

**Corollary 1.2.3.** *All the corollaries should be written in this environment.*

**Lemma 1.2.4.** *All the lemmas should be written in this environment.*

# **Chapter 2**

## **Title of the Chapter**

### **2.1 Title of the Section**

#### **2.1.1 Title of the Subsection**

### **2.2 Insert more sections if required**

# **Chapter 3**

## **Insert more chapters if required**

### **3.1 Title of the Section**

#### **3.1.1 Title of the Subsection**

### **3.2 Insert more sections if required**

## **Chapter 4**

# **Summary/Conclusion and Scope of further study**

### **4.1 Summary/Conclusion**

### **4.2 Scope of further study**
