

**DEPARTMENT OF MATHEMATICAL SCIENCES,**  
End-Term Examination Schedule, Spring, 2021

Date	10:00AM-12:00 PM
04-06-2021	MI401/MS501: Classical Mechanics MI312: Ring Theory MI/MD222: Co-ordinate Geometry *MI207: Co-ordinate Geometry
05-06-2021	MS508: Mathematical Methods MI412: Mathematical Methods MI/MD314: Elementary Number Theory MI/MD218: Introductory ODE & PDE *MI407: Mathematical Software *MI215: Classical Algebra
07-06-2021	MS599: Probability Theory MI504: Mathematical Programming ED303: School Education in North-East India ED203: Contemporary Issues in Education
08-06-2021	MI541/MS541: Fluid Dynamics MS574: Galois Theory MI/MD410: Measure Theory MI320: Elementary Coding and Information Theory ED308: Pedagogy A: Physical Science I ED204: Assessment and Evaluation
09-06-2021	MI552/MS552: Operator Theory MI318: Elementary Integral Transforms and Special functions *MI/MD216: Elementary Real Analysis ED307: Pedagogy B: Mathematics-I
10-06-2021	MI570/MS570: Coding Theory-II MI310: Computer Lab MS424: Computer Lab MI226/ MD318: Introductory Topology
11-06-2021	MI566/MS566: Fourier Analysis MS406/MI408: Complex Analysis MI/MD224: Numerical Methods and Boolean Algebra ED107: Education and Development
12-06-2021	MI/MD220: Linear Algebra-I *MI214: Linear Space and Linear Programming
14-06-2021	MS750: Research Methodology in Mathematical Sciences MI302/MS416: Numerical Analysis MI/MD316: Introduction to Optimization PI/PD102: Physics-II

Date	10:00AM-12:00 PM
15-06-2021	MS451: Probability and statistics ES103: Environmental Studies # DM101: Disaster Management
16-06-2021	MS408: Topology MI/MD102: Mathematics-II MI/MD104: Real Analysis
17-06-2021	MI322: Seminar MS414: Ordinary Differential Equations CI/CD102: Chemistry-II
18-06-2021	MI322: Seminar MI/MD106: Group Theory *MI/MD210: Elementary Abstract Algebra

\* Backlog courses

# Exam Time: 9.30AM - 11.30AM

Note:

- (i) All the examinations will be conducted in online mode.
- (ii) MI515/MS517: Project Students are required to submit project reports to their respective supervisors. After going through the project reports, if found suitable the project supervisors are requested to forward it to the HOD with a grade by 17/06/2021. Tentative date of Project presentation is 21-22 June 2021.
