### **A report**

The Sonitpur District branch of the Assam Academy of Mathematics has been organizing a training camp for school children to prepare them for appear the Mathematics Olympiad Examination. This year the programme has been jointly organised by the Assam Academy of Mathematics and Tezpur University and conducted by the Sonitpur district branch of the Assam Academy of Mathematics during July 3-9, 2025 at the Department of Mathematical Sciences, Tezpur University. For the convenience of the teaching learning process, the training programme was organised separately in three categories - the students of class V-VI were kept in Category I, class VII-VIII in Category II and Class IX-X were kept in Category III. Altogether 54 students attended the programme. The resource persons comprised the faculty members and research scholars of the Department of Mathematical Sciences, and experienced teachers and members of the Sonitpur branch of the Assam Academy of Mathematics. The Inaugural function on July 3, 2025 was graced by Honourable Vice-Chancellor of Tezpur University Prof. Shambhu Nath Singh as the Chief Guest and inaugurator of the programme. In his inaugural address, Prof. Singh has emphasized the importance of mathematics at the early and advanced level across various disciplines of study and also for the day-to-day decision making process. He also expressed his happiness on the initiative of the Academy to have joint collaboration with Tezpur University to train young mind towards Mathematics and assured help and cooperation towards organizing such joint programmes in the future. The Guest of Honour of the function was Dr. Biren Das, Controller who dwelt on the benefit of the mathematics and urged participants to actively interact with the experienced teachers and resource persons of the sessions.

Vote of thanks of the inaugural session was delivered by Prof. Shuvam Sen, the HoD of the Department of Mathematical Sciences, Tezpur University.

There were a total of 54 academic sessions for each category of participants which were conducted in the separate classrooms. The resource persons comprises experienced teachers like Dr. Ram Charan Deka, Prof. Shuvam Sen, Dr. Bhim P Sarmah, Dr. Bipul Kumar Sarmah, Prof. Arun Mahanta, Dr. Anjan Bhattacharyya and senior research scholars of the Department of Mathematical Sciences, Tezpur University-Mr. Pankaj Jyoti Mahanta, Mr. Roshan Bhattarai, Mr. Pankaj Gogoi, Mr. Rishav Chakraborty, Miss Sangeeta Sarma and Miss Darshana Devi

The valedictory function was organised on July 9, 2025. The Chief Guest of the function, Prof. Arun Mahanta in his address, opened up various opportunities waiting in the coming future for the mathematics learners and advised the participants to be prompt to capture those opportunities. The feedbacks of the students were quite encouraging leaving the organisers a scope to conduct similar programmes in the future. The guardians of the participants presented a satisfying tone in their comments and urged for regular mathematics sessions for the budding students of the region. The session ended in greeting thanks from and to the chair.
