Quality higher education for all

Short Term Course on ANALYSIS AND ALGEBRA FOR TEACHERS 30 June - 04 July 2025 (Physical mode)

Chief Patron
Prof. Shambhu Nath Singh
Hon'ble Vice Chancellor
Tezpur University

This Programme will be considered for fulfilment of the requirements of CAS as laid down by UGC

All shortlisted participants will be sent confirmation email to join the STC on or before 26 June 2025

UGC – Malaviya Mission Teacher Training Centre (MMTTC)
Tezpur University
In Collaboration with
Department of Mathematical Sciences, Tezpur University

Objectives:

- To strengthen conceptual understanding of core concepts in Analysis, Abstract Algebra, Linear Algebra and related areas.
- To familiarize participants with the new topics and structures introduced in the 4-year UG curriculum under the NEP 2020 framework.

Resource Persons:

- Prof. Anupam Saikia, IITG
- Prof. Rafikul Alam, IITG
- Dr. Anjan Chakraborty, IITG
- Experts from Tezpur University

Accommodation & Travel

No TA/DA will be provided to participants. Outstation participants are requested to make their own accommodation arrangements. However, accommodation may be arranged in the University Guest House or Hostel on a self-payment basis, subject to availability and prior request.

LAST DATE OF REGISTRATION:
25 JUNE 2025

Who can Participate?

College, University and other HEI faculty members

Highlights:

- ONLINE REGISTRATION
- NOC IS MANDATORY
- ATTENDING ALL SESSIONS IS COMPULSORY
- DAILY SESSION-WISE FEEDBACK
- ASSIGNMENT AND OBJECTIVE TEST
- GRADED E-CERTIFICATE ON SUCCESSFUL COMPLETION

Notification

05/06/2025

Short Term Course (Offline) on
Analysis and Algebra for Teachers

Organized by

UGC-Malaviya Mission Teacher Training Centre, Tezpur University

In collaboration with

Department of Mathematical Sciences , Tezpur University

30 June-04 July 2025

About the Course

This short-term course is designed to explore fundamental concepts in Analysis and Algebra through interactive lectures, with a strong emphasis on developing effective problem-solving skills. The sessions focus on topics that are directly relevant to classroom teaching, helping faculty members enhance their instructional practices. The course also aims to align faculty expertise with the revised 4-year undergraduate curriculum introduced under NEP 2020, much of which includes material that was traditionally part of the M.Sc. (Mathematics) program but is now incorporated into the undergraduate level.

Objectives

- To strengthen conceptual understanding of core concepts in Real Analysis, Abstract Algebra, Linear Algebra and related areas
- To familiarize participants with the new topics and structures introduced in the 4-year UG curriculum under the NEP 2020 framework

Target Audience

- Faculty members of Colleges, Universities and other HEIs(Regular/ contractual/Guest)

Course Content

- Analysis
- Abstract Algebra
- Linear Algebra

Pedagogy

- Expert lectures
- Interactive discussions
- Tutorials and Problem-solving sessions

Mode of the Program:

The program will be conducted physical mode. Attending all sessions is compulsory. There will be assignments, objective tests and other activities as per UGC guidelines. Those who receive 50% or above score in overall assessment shall receive a certificate of Completion.

Accommodation and Travel

No TA/DA will be provided to participants. Outstation participants are requested to make their own accommodation arrangements. However, accommodation may be arranged in the University Guest House or Hostel on a self-payment basis, subject to availability and prior request(Please submit the Accommodation Form). The organizers will provide a Registration Kit, Working Lunch, and Tea during the event.

Registration Process:

Interested participants may apply for this program by visiting UGC MMC Portal. After creating an account on the portal, applicants should navigate to the "**Other Programs**" section and select this **Short-Term Course offered by Tezpur University**. Participants must obtain the necessary permission/nomination from their concerned authority before online application. The nomination format is available on the MMC Portal. After registration for the program participants must declare whether they need or don't need any accommodation using the Accommodation Form

Important Points to be noted

or Scan the QR Code

Last Date of Application:

25 June 2025

- Online Registration is compulsory
- NOC is mandatory
- No registration fee
- Seat limit 40
- Attending all sessions compulsory
- Daily session-wise Feedback
- Assignment and Objective Test
- E-Certificate on successful completion
