**One Week UGC Short Term Course (Offline) on
ALGEBRA AND ANALYSIS
For Mathematics Teachers**

Organized by
Department of Mathematical Sciences, Tezpur University
In collaboration with
UGC-Malaviya Mission Teacher Training Centre, Tezpur University
02-07 March, 2026

About the Course

This short-term course is designed to explore fundamental concepts in Analysis and Algebra through interactive lectures, with a strong emphasis on developing effective problem-solving skills. Algebra and Analysis are the basic areas of Mathematics that a student needs to be good at for their further study in Mathematics. For that the teachers need a proper training to make the students comfortable in those areas. The sessions focus on topics that are directly relevant to classroom teaching, helping faculty members enhance their instructional practices. The course also aims to align faculty expertise with the revised 4-year undergraduate curriculum introduced under NEP 2020, much of which includes material that was traditionally part of the M.Sc. (Mathematics) program but is now incorporated into the undergraduate level.

Objectives

- To strengthen conceptual understanding of core concepts in Algebra, Analysis and related areas
- To familiarize participants with the new topics and structures introduced in the 4-year UG curriculum under the NEP 2020 framework

Target Audience

- Faculty members of Colleges, Universities and other HEIs (Regular/Contractual/Guest)

Mode of the Program:

The program will be conducted in physical mode. Attending all sessions is compulsory. There will be assignments, objective tests and other activities as per UGC guidelines. Those who receive 50% or above score in overall assessment shall receive a Certificate of Completion.

Accommodation and Travel

No TA/DA will be provided to participants. Shortlisted outstation candidates will be provided accommodation in Tezpur University guest house on sharing basis (Two persons in a room). The organizers will provide Registration Kit, Local Hospitality during the event to all participants.

Registration Process:

Interested participants may apply for this program by visiting UGC MMC Portal. After creating an account on the portal, applicants should navigate to the "**Other Programs**" section and select this **Short-Term Course offered by Tezpur University**. Participants must obtain the necessary permission/nomination from their concerned authority before online application. The nomination format is available on the MMC Portal. After registration for the program participants must declare whether they need or don't need any accommodation using the Accommodation Form.

Important Points to be noted

- Online Registration is compulsory
- NOC is mandatory
- No registration fee
- Seat limit 50
- Selection will be made on first come first serve basis, subject to eligibility.
- Preference will be given to the candidates from institutes of North Eastern states.
- Attending all sessions compulsory
- Assignment and Objective Test
- Certificate on successful completion

Course Content

- Algebra
- Analysis

Pedagogy

- Expert lectures
- Interactive discussions
- Tutorials and Problem-solving sessions

**Sessions will be conducted
by eminent resource persons.**

Last Date of Application: 22nd February, 2026

Date of Shortlisted Candidates: 25th February, 2026
