Dear Mr. Janmejy Sarkar,

It is with great pleasure that we write to inform you that Osmosis Communications Inc., a Canadian film production company, is awarding you a Shadow Chasers scholarship for the year 2020 to help you further your studies and work in the scientific fields.

Since we first became acquainted with you as the youngest member of the Sky Watcher's Association of North Bengal (SWAN) total solar eclipse observation team, in August 1999, (whose expedition is recorded in the National Film Board of Canada feature documentary LES CHASSEURS D'OMBRE/SHADOW CHASERS written and directed by our company's principal) we have followed your valuable and continuing contributions to the work of this group dedicated to the education and appreciation of astronomy with young people and the general public alike.

Thanks to hard work and ingenuity, you have managed to maximize SWAN's modest technical means to do high quality astrophotography, calculate and characterize comet 46P/Wirtanen's trajectory, and perform spectroscopic and photometric analysis by developing a slitless stellar spectrograph. Most important is the dedication you have shown over the years to SWAN's numerous outreach activities, amongst them the NASA After-school Astronomy Initiative. Other organizations such as Tezpur University have recognized your skills and talent by reaching out to you as a resource person, and most recently you contributed your expertise to the orientation and selection camp for the International Astronomy Olympiad.

We hope that this recognition along the 500 \$CND scholarship will further your burgeoning scientific career. Again, congratulations and we wish you all the best for the future.

Kindest regards,

Jean Marc Lariviere
