**Action Taken Report of Feedback on Course Curriculum received from Students, Alumni
and Faculty Members, 2020-2021**

1. The faculty members discussed the feedback received on the curriculum and deliberated on the measures to be taken.
2. The concerns raised by the 2019-2020 batch was particularly discussed. This batch was the last batch who went through the old syllabus. Due to the covid-lockdown, there were constraints in the teaching learning process and this was reflected in the feedback.
3. Considering the feedback, the following measures are taken-
 - i) A Fieldwork lab will be set up in the Department.
 - ii) Workshops on specific skill sync with fieldwork practice will be held regularly.
 - iii) The new M.A. syllabus has been revised addressing the concerns raised by the students.
 - iv) The sequencing of the subjects has been changed.
 - v) Certain skills specific to courses are incorporated in the revised syllabus to increase scope of employability.
 - vi) The number of optional courses has been increased considering the emerging disciplinary concerns.
 - vii) The internship is made mandatory for all the students.
