Programme: M.A. Social Work**Alumni Feedback**

Parameters	Issue Raised	Measures to be taken
Relevance	Limitation in covering extensive dimensions of thematic courses	Exploring different dimensions of the course papers shall be revisited to incorporate latest developments in the field practices. For. eg. Incorporating classes on Social Audit in the paper "Corporate Social Responsibility"
Skill development	Scope for improvement	Certain classroom learning can be associated with subsequent field visits
Distribution of course sequencing	No issue raised	
Adequacy	Scope for improvement in internship opportunity	Exploring more internship opportunities in diverse fields is a need to be looked at.
Provision of choice	No issue raised	
Practical exposure	Hands on practice can be improved	Liasoning with community institutions like PRI, Schools, PHC can be strengthened to enable students to take part in direct field practices of these institutions.
Research Component	No issue raised	
Enhancing students' creativity	Scope for improvement	Enabling students to identify the gap between book view and field practice.
Suitability and availability of reading material	No issue raised	
Any Other	No issue raised
