

Entrepreneurship Development Cell

Tezpur University, Napaam-784028

Introduction

The Entrepreneurship Development Cell (EDC) was started with the object of promoting specialized knowledge in the field of entrepreneurship development. In view of the worldwide shortage of jobs (both government and private sectors) leading to unemployment problems and lack of proper utilization of human resources; the cell strives to identify talented youth to entrepreneurial works. The cell plans to organise various programmes regarding entrepreneurship development.

Objectives of the cell

- (a) Creating awareness among the students of the University and the educated unemployed youth of North east India regarding entrepreneurship as a career option.
- (b) Conduct training programmes in the field of entrepreneurial skill development
- (c) Develop entrepreneurship related course curriculum to incorporate in management and engineering programmes
- (d) Provide guidance and facilities to first time entrepreneurs during gestation.
