

# Silver Jubilee Celebration

(1996-2021)

Department of Energy  
Tezpur University

## Alumni Talk : 8

Recent Advancement in Solar Drying Technology

Time: 3:00 PM, Date: 12th June, 2021

### Dr. Anil Kumar

Alumnus

(MTech in Energy Technology: 2000 - 2001)

Associate Professor,

Delhi Technological University, New Delhi

Dr. Anil Kumar did his MTech in Energy Technology (2001) from Tezpur University and PhD in Solar Energy from IIT Delhi (2007) and presently working as Associate Professor at Delhi Technological University, New Delhi. Earlier he has also worked at Maulana Azad National Institute of Technology, Bhopal, India (2010-2018) and Rajiv Gandhi Proudyogiki Vishwavidyalaya, Bhopal, India (2005 - 2010). He has published 135 papers in International peer-reviewed journals in the area of Solar Energy Applications, Energy Economics, Heat Transfer, Solar Drying etc. with h-index of 27 (SCOPUS) and also the author of 10 books. He has developed a thin-layer drying model known as the 'Prakash and Kumar model', which is being used and cited by researchers around the World. He has supervised 9 PhD students and 37 master students. He also appears in the World Ranking of Top 2% scientists reported by Stanford University (2020).
