

Silver Jubilee Celebration

(1996-2021)

Department of Energy
Tezpur University

Alumni Talk : 11

Agrivoltaics: Bringing New Opportunities to Water-Energy-Food Nexus

Time: 3:00 PM, Date: 31st July, 2021

Prasun Das

Alumnus

(MTech in Energy Technology: 2008 - 2010)

Technical Expert,

Deutsche Gesellschaft für

Internationale Zusammenarbeit (GIZ) GmbH,

New Delhi

Prasun Kumar Das did his M. Tech in Energy Technology (2010) from Tezpur University. Prior to joining GIZ, he was associated with the National Institute of Wind Energy (NIWE), Chennai as an Assistant Director. He was a key member in setting up the world's largest network of ground-mounted solar resource monitoring stations, development of Indian Solar Atlas, and indigenous solar power forecasting model of India. He was instrumental in setting up a calibration laboratory of solar sensors at NIWE. He developed one prototype of solar power-based air conditioning system during his tenure at Solar Energy Centre, Gurgaon. He has successfully completed feasibility study, designing, due diligence and testing of many solar PV plants. He has published a good number of research papers in national and international journals and guided UG/PG students.
