Summary:

A real woman. A real story. A real triumph. Julia Roberts stars as Erin Brockovich, a feisty young woman who fought for justice any way she knew how. Desperate for a job to support herself and three children, she convinces attorney Ed Masry to hire her, and promptly stumbles upon a monumental law case against a giant corporation. Now, Erins, determined to take on this powerful adversary even though no law firm has dared to do it before. And while Ed doesn't want anything to do with the case, Erin won't take "no" for an answer.
