

Postponement of the seminar

Due to unavoidable circumstances the National Seminar on Advances in Basic and Translational Research in Biology (ABTRiB) organized by the Department of MBBT, Tezpur University will now be organized on 11 and 12th March, 2022. Any inconvenience is regretted.

**Organizing Committee
ABTRiB, 2022**

National Seminar on Advances in Basic and Translational Research in Biology (ABTRiB)

(As a part of Silver Jubilee Celebration of the Department of MBBT, Tezpur University

And Azadi ki Amrit Mahotsav)

March 11-12, 2022 (Revised)

Highlights

1. Keynote and invited lectures by renowned scientists across the country
2. Selected abstracts submitted by PhD and Postdoctoral students will be chosen for oral presentation
4. Poster presentation
5. Awards for oral and poster presentations

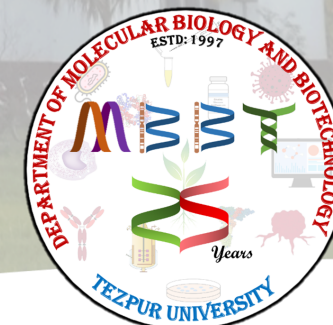

- Last date of abstract submission: March 01, 2022 (Revised)
- Last date of registration: March 01, 2022 (Revised)
- Registration link : https://docs.google.com/forms/d/e/1FAIpQLSfc2OcnYY9lTrWry7LfumZn_tj6Pv1X1LHWPSQ-EguFVjbrA/viewform?usp=sf_link
- The link for the webinar will be shared to registered participants only
- Students continuing final year of Master's degree in life science subjects are encouraged to participate

Themes

1. Disease biology
2. Cellular and molecular biology
3. Plant biotechnology
4. Immunogenetics and immunotherapy
5. Advancement in genomics and proteomics
6. Venom biology
7. Microbial biotechnology
8. Computational biology

- No Registration fee
- Abstract should contain title, name of authors, affiliation on the top)
- Abstract word limit=250 (excluding title, authors name and affiliations)

E-certificate will be provided to the registered participants

Organized by
Department of Molecular Biology and Biotechnology (MBBT)
Tezpur University
