Unveiling Excellence

Notification dated 16 March 2022
Online Weeklong FDP on E-Content Development
04-08 April 2022
Organized by
Teaching Learning Centre
Tezpur University
(A Centre of Excellence in Pedagogy and Curriculum)
In Collaboration With
The University of Science and Technology, Meghalaya (USTM)
(Accredited "A" by NAAC in First Cycle)

Teaching Learning Centre (TLC), Tezpur University, in Collaboration With the University of Science and Technology, Meghalaya(USTM) is organizing an **Online Weeklong FDP on E-Content Development** during 04-08 April 2022. The workshop is being organized by TLC, Tezpur University set up under PMMMNMTT Scheme, Ministry of Education, Govt. of India. Teaching Learning Centre, Tezpur University has been conducting Refresher Courses, Faculty Induction Programs and other training Programs including various ICT training programmes for teachers of higher education as per PMMMNMTT mandate since 2016. Since April 2020 TLC, Tezpur University has been conducting all training programs in Online mode following the UGC and PMMMNMTT Guideline. All short term and long term teacher training programs conducted by PMMMNMTT components are considered for Career Advancement Scheme (CAS) for teachers of higher education as per UGC Regulation 2018.

Online educational methodology, and flipped-classrooms with associated pedagogy of active learning, have quickly emerged as the mainstay of effective education in this century. The UGC has already recommended for a Blended Mode of learning where up to 40% teaching can be done in Online mode. Thus, the knowledge of ICT tools useful for higher education and the training for the effective use of such tools are necessary for all. E-Content Development in Four Quadrant Approach is a major focus area in higher education now. Video development is tedious process. But adoption of certain tools and techniques make it easier for teachers with no technological background.

Though in this workshop we shall discuss about Swayam Norms for Content Creation, our focus would on providing training on how to create video contents using a laptop or desktop computer with freely available software and tools, how to store and disseminate those, making contents easily accessible.

The workshop will include both live sessions and pre-recorded video sessions disseminated in online mode. For convenience of the participant-teachers, the live sessions will be conducted in the afternoon. The details will be shared after registration process is complete. Joining the live session is desirable, as it will facilitate live interaction. However, if someone is not able to join the live session, he/she shall watch the recording of the same later.

Topic Highlights:

- Online/blended Learning in teaching-learning
- Swayam and MOOCs
- E-Content Creation using Screencasting Method
- Demo on Free Software
- Video Editing
- Online Storage and Dissemination

Course plan:

- There will be approximately 35 hours of engagement including live sessions, recorded sessions, practice sessions, assignments, feedback etc.
- Pre-recorded demonstration videos on each tool will be shared in the Google Classroom in a scheduled manner.
- Read and watch as per participant's convenience.
- Interaction and discussion through Google classroom and WhatsApp/Telegram group every day.
- Proper balance of activity and assignments.
- Online Feedback on each session.
- Follow-up session for discussing ICT practicing issues.

Who can apply:

The workshop is open to teachers (regular/ad-hoc/temporary) and research scholars from any Indian university/college/institutes. NOC or Leave is not required for enrolling in the programme.

Certification criteria:

- Attempting and submitting all the quizzes and assignments are mandatory, and each participant should score a minimum of 50% in total to avail of the programme completion certificate.
- Completion certificates on the basis of performance will be awarded to the participants.
- As part of the Ministry of Education's requirement under the PMMMNMTT scheme, all participants need to submit online feedback for each session.
- Failing to meet any of the above conditions will result in denial of a certificate of completion to the participants.

Registration:

Registration is mandatory for all the participants of the workshop. Interested participants are required to register online on or before 31 March, 2022 by paying an enrollment fee of INR 800/- (Non-Refundable). The participants must make the prescribed payment through NEFT/IMPS or any online mode available to the following account:

Account Holder	Tezpur University Endowment Fund
Bank Name	State Bank of India
Branch	Main Branch, Tezpur
IFSC Code	SBIN0000195
Account Number	10501585452
Amount payable	Rs.800.00 (Eight hundred only)

Participants need to fill up the following online application form after the payment with all necessary details.

TO APPLY ONLINE CLICK HERE

Note: Those who apply through NMTT portal must also apply following the above instructions.

Last Date of Application: 31 March 2022
