VIRTUAL STARTUP BOOTCAMP 2021-22

28th January, 2022 11:00 AM

ABOUT

In line with the action plan of 'Startup India' - Govt. of India's flagship program, Numaligarh Refinery Limited (NRL) in 2017, launched an initiative called 'NRL IDEATION' with a corpus of Rs. 10 Crores and a mission to provide a robust platform for the startup ecosystem in the NE region, by providing incubation, mentoring & grant funding to worthy ideas. The aim of NRL's Startup program - 'NRL IDEATION' is to become a 'Leading Support System to Startups in the Northeast' for entrepreneurs of the region by selecting promising ideas and assisting them with both financial and knowledge capital to achieve sustainable and meaningful success.

In our efforts to multiply the impact of entrepreneurship in NER, we have decided to organize an IDEATION Startup Bootcamp 2021-22 on 28th January 2022 in Tezpur University through innovation cell, IIC - TU (Institution Innovation council, Tezpur University).
