Department of Energy, Tezpur University is going to organise a two-day academic support programme. The programme will primarily focus on the two areas of academic support skills: Personality Development, and Communication skill. This event is being organised as a part of AICTE-NEQIP grant.

Programme details

Both abovementioned areas will be given a day each having two sessions with breaks in between. The first session of each day will be a training session, where experts will train/teach students on the various aspects of the subject area and the second half of the day will be hands on experience of the participants on the learning of the first session.

Who can participate?

Participation is open to all the master and bachelor (final year) degree students. The total estimated intake for the participants is 50. The choice of participants from other departments/institutes will be based on the first come first serve. SC/ST students will get preference to participate in this programme.
