Tezpur University

Tezpur University is a Central University located in Tezpur in North Eastern state of Assam, India and was established by an Act of Parliament in 1994. The establishment of Tezpur University is considered to be one of the outcomes of the Assam Accord, along with the establishment of Assam University and Indian Institute of Technology Guwahati. Currently, the University has nearly 3300 students and 230 teachers. The university runs academic programs leading to B.Tech, M.Tech, Integrated Masters and two years Masters in Sciences, Humanities & Social Sciences and Languages, Commerce and Business Administration, and Ph.D in almost all subjects taught here. Tezpur University has earned number of accolades in recent years which includes 5th position in NIRF ranking in 2016, Visitor's Best University Award in 2016, and 3rd cycle of accreditation by NAAC with "A" grade in 2016.

The University strives to provide quality education to enable the graduates to become leaders in their professional careers, to pursue excellence in research and teaching and to serve the community and nation.

Department of Food Engineering & Technology

The Department of Food Engineering and Technology, now a constituent department of the School of Engineering, was started in 2006 with the objective of contributing to the creation of trained and skilled human resources to cater to the needs of the rapidly growing food processing sector. The department promotes research and developmental activities on emerging areas and on food resources, with emphasis on those having direct relevance to the North East region. The Department is recognized by the UGC for support under SAP DRS-I, by DST for support under FIST, by MoFPI for support under Infrastructure and HRD grants, and by AICTE for support under NEQIP. The B Tech programme is accredited by NBA as Tier-I programme, M Tech programme is approved by AICTE, Ph.D. programme is recognized by AICTE to include under its scheme of minor QIP center, and the B Voc programme is supported by the UGC.

RTiFP- 2017

North east India is considered as the hotspot of biodiversity and the region is rich in varieties of rice grains, fruits, herbs etc. The work on development of different value added products which involves indigenous and locally grown commodities based on the current needs of the food industry as well as the consumers need to be promoted. The UGC-SAP seminar on "Research Trends in food Processing: Value Addition & Enterprise Development" will provide a platform to academicians, scientists, research scholars, entrepreneurs and industry participants to discuss on the recent development in food processing and issues related to value addition and enterprise development. The seminar will also provide an opportunity for networking and collaboration among the participants.

Cont....

Structure of RTiFP- 2017

The seminar will have three major sessions:

Session-I: Plenary talks by invited domain experts on trends in value added food product development.

Session-II: Invited talks on food system based enterprise development by experts from academia, industry and organizations.

Session-III: Mini Symposium of presentations (oral/poster) from young researchers

Call for Participation

The seminar is designed to facilitate,

- i. Researchers working in areas of food processing to share their findings
- ii. Research Scholars/PG/UG students to present their works
- iii. Industry personnel, educators, students and entrepreneurs to gain insights into current research in food development.

One can participate in the seminar by registration. The organizing committee invites participant from all spheres associated with food processing, handling and management to gain experience of knowledge sharing.

Call for Abstracts

The Organizing committee cordially invites abstracts for oral or poster presentation at the 'Mini Symposium'. Original research or comprehensive review work in the related field are invited which will be reviewed by the Technical committee. Ten selected paper presenters will be extended with financial support for travel and one day accommodation.

Interested participants are requested to submit abstract through email on rtifp2017@tezu.ernet.in before the submission deadline.

Chief Patron

Prof Mihir Kanti Chaudhuri, Vice Chancellor, TU

Patrons

Prof M. Bhuyan, Pro Vice-Chancellor, TU
Prof D. K. Bhattacharyya, Dean Acad, TU

President

Prof (Ms) C L Mahanta, Dean, SoE, TU

Vice President

Dr. B Srivastava, Head, FET, TU

Convener

Dr. M K Hazarika, Associate Professor, FET, TU

Organizing Secretaries

Dr. R K Duary, Assistant Professor, FET, TU
Mr. D K Seth, Assistant Professor, FET, TU
Dr. N R Swami Hulle, Asst Professor FET, TU

Academic Affairs Committee

Dr. S C Deka, Professor, FET, TU
Dr. P Mishra, Associate Professor, FET, TU
Dr. L S Badwaik, Associate Professor, FET, TU
Dr. N Sit, Associate Professor, FET, TU
Mr. A B Das, Assistant Professor, FET, TU
Mr. S Chakraborty, Assistant Professor, FET, TU

Technical Secretaries

Mr. Dipankar Kalita, Technical Officer
Mr. Arup Jyoti Das, Sr. Technical Assistant
Mr. Labadeep Kalita, Technician

How to Reach Tezpur University

By Road: Guwahati to Tezpur: National Highway No. 37 via Nagaon upto Kaliabor Tiniali, then via Kolia Bhomora bridge. Distance: 198 kms. (approx.)

Air Connectivity

Direct Air India Flights are available from Kolkata to Tezpur THRICE-A-WEEK on Tuesday, Thursday and Saturday.

Accommodation

Accommodation to the limited numbers of participants can be extended on request on payment basis subject to availability.

Important Dates

Abstract submission Deadline: 18th March
Abstract Acceptance: 20th March

Registration Fee (Participants)

Academicians (Faculty/Research scholars/ Industry) (₹): 200
Students (UG/PG) (₹): 100
Students group (up to 15) from Institutes with recommendation (₹): 500

Mode of payment

Payment can be done by DD/multicity cheque in favor of Registrar, Tezpur University, Payable at Tezpur or at registration desk on the spot.
