## *Invitation*

Department of Chemical Sciences, Tezpur University is organizing a National Conference on "Contemporary Developments in Chemical Sciences" during 23 & 24 November 2015. The major aim of the conference is to bring together eminent scientists, academicians, young research scholars and industrialists under one roof to share their expertise. Special emphasis is given on providing a platform for oral presentation to young research scholars working the field of Chemical Sciences. The sub-themes that would be covered are Organic synthesis, Natural products, Supramolecular chemistry and Crystal engineering, Inorganic synthesis, Material Chemistry, Polymer and Hybrid materials, Organometallics, Homogeneous and heterogeneous catalysis, Biocatalysis, Nano-catalysis, Catalyst in industry, Modelling and Simulation.

On behalf of CDCS-2015 and Tezpur University, we would like to extend our heartiest invitation for your participation in this conference at Tezpur. We are looking forward to the success of CDCS-2015 with your active participation.

*Sincerely yours*

Convener, CDCS-2015

Dr. Utpal Bora & Dr. Pankaj Bharali

**Dr. Bipul Sarma**

**Department of Chemical Sciences**

**Tezpur University, Tezpur-784028, Assam, India**

## Scope

This conference aims to bring together researchers, scientists, engineers and scholarly students to exchange and share their experiences, new ideas, and research results on frontier aspects of chemical sciences. It will provide opportunities to discuss the practical challenges encountered by the researchers during their studies that can lead to development in basic sciences and technology growth. The conference is to capitalize eminent experts from academic community as well as industry in a single platform to bridge the gap and work together efficiently.

## Submission of Abstracts

Soft copies of abstracts are invited for consideration under oral/poster presentations in the prescribed format as given in the website. The abstract should be submitted to [cdcstu2015@gmail.com](mailto:cdcstu2015@gmail.com). The selected abstracts will be published in the symposium abstract book.
