

Intra University Sensitization Workshop on Introduction to Robotics
Centre for Innovation, Incubation and Entrepreneurship
Tezpur University
July 30, 2016

An Intra University Sensitization Workshop on Introduction to Robotics is being organized for the students of Tezpur University on July 30, 2016 with the support of Centre for Innovation, Incubation and Entrepreneurship, Tezpur University. The focus of the workshop is to make the students aware of the state of the art in robotics nation-wide.

The number of the workshop participant is limited to 40 and will be selected based on the applicant's responses to the probes in the registration form. Please find the online registration form available at <https://goo.gl/Ue5yzB>.

The workshop will cover a detail discussion through participants' questions and answers on the topics like what is Robotics, Domains of Robotics, Tools used in Robotics, Demo of mobile robots, Intelligent Robotics, Robotics@Tezpur University vis-à-vis National Scenario and the future of robotics in India.

Modalities of the workshop

- The deadline for filling the online application: July 22, 2016 following IST. No applications after the deadline will be entertained.
- There is no registration fee for the workshop.
- The selection of the participants will be based on their responses to the probes in the registration form by a peer selection committee.
- The selected participants will be informed about the venue and detailed schedule through the contact details provided in the online application form.
