## ABOUT THE WORKSHOP

The present COVID-19 situation has crippled Community-Based Tourism (CBT) projects of Northeast India. The management body and property owners will face challenges to survive this situation.

Pertaining to this, the Department of Business Administration, Tezpur University has called in a group of experts, travellers, tourism department representatives, CBT practitioners, tour operators and academicians for a digital workshop.

Targeted for the benefit of

- CBT practitioners of Northeast India
- Academicians
- Academic Researchers
